Campbell and R. R. Wilson. All the partners have long been connected with the firm, under the old name, and all are well known in business circles here.

British Live Stock Markets.

London, April 30.—The supply of cattle was short. In consequence, the tone of the market was strong under a good demand, and prices for Americans show an advance of 1c and Canadians 1-2c as compared with a week ago. The trade throughout was firm and sales of choice States were made at 13c and Canadians at 12c.

Liverpool, April 30.—A private cable reported the market firmer for Canadian cattle at 12c.

A. E. Ogilvie, the new president of the Ogilvie Milling Co., will visit Winnipeg next week.
