English Grammar.\* English Analysis, 74 cents each. Reid's Rudiments of Composition, 30 cents each. Bain's Rhetoric, 60 cents each.

The Council of Public Instruction has authorized the preparation of an English Grammar for use in the Public Schools, and until this work is published the Saperintendent of Education will not procure any text-book on this subject. In the meantime, Trustees are authorized by the Council to use whatever Grammar they prefer. Lennie's Grammar, if followed by Analysis, will, perhaps, give as good results as any.
