There is no Gainsaying the Truth of this Statement

"It is only the most able and experienced collectors who can expect, in certain localities, to collect purely the genuine Cascara Sagrada, and we can expect nothing else than that more or less spurious material will get upon the market.

"Provided it is once collected, whether mixed with the genuine or offered separately, the ordinary buyer is quite unlikely to detect the error."—H. H. Rusby, M.D., Professor of Botany and Materia Medica in the New York College of Pharmacy, before the A. Ph. A.

We positively guarantee the genuineness and reliability of every ounce of bark used by us in the manufacture of our preparations of Cascara Sagrada. We use only the true *Rhamnus Purshiana* DC.
