ROBT. DICKSON, of Carp, Ont., a general store-keeper of many year standing, has assigned, proving to his creditors, what was supposed at the time, that his surplus of \$5,000 last spring, was very much over-estimated. He has been rather slow in his payments for some time. Liabilities will foot up several thousand dollars.—R. Ratray, a Kingston confectioner, is missing.

In March last, Jas. Belch, for some years a carriage maker of very little means at Nanawee, Ont., formed a connection with a blacksmith named E. Huff, who was supposed to have a few thousand dollars laid by. The change does not appear to have been of much benefit, as Belch has recently made an assignment in trust to Henry Douglas.—John Moore, dealer in tinware, Toronto, has sold out to E. Kyle.

Mr. W. C. Proctor, has retired from the wholesale millinery house of McKinnon, Proctor & Co., Toronto, and Mr. S. F. McKinnon continues alone.—Mrs. E. D. Beckett, retail millinery, same city, is reported as having assigned on the 10th inst. to R. Rogers. A few months ago she was compelled to give a chattel mortgage for \$1100 to secure against smaller creditors.—M. S. McCreaney, general storekeeper, Oakville, Ont., has sold out.

A DRIVE from Hochelaga to Chambly on Monday last revealed a most discouraging outlook for the hay crop, considerable quantities being cut, part lying on the swarth and some in heaps sodden with rain. The farmers throughout the district referred to complained of the poor condition in which they were likely to harvest their crop. A great many loads of new hay have been brought into the city during the past few days, which sold at \$6 to \$7 per load.

A MEETING of the creditors of James Alexanders, general merchant, West Winchester, was held at the office of Messrs. Crathern & Caverhill, of this city, on Wednesday, July 23rd, when a statement was presented showing liabilities of \$3,000 and assets of \$2,500. The creditors agreed to accept his offer of 33c. on the dollar cash.—William Martin, grocer, St. John, N.B., has failed with small liabilities.—The assignment is announced of Edwin Hornecastle, N.B., liabilities not heavy.

The following statement of the Farmers' Bank of Rustico, P.E.I. has just been published: Liabilities—Capital stock, \$8,211.86; bills in circulation, \$12,655; deposits, \$547.19; due on

dividends, \$65.45; total amount due from bank, \$21,479.50. Assets—Gold and silver, \$915.35; Dominion and other bank notes, \$1,813; amount due to bank, \$19,039; total resources, \$21,797.35; balance in favor of bank, \$317.85. All the debts are considered good, and a dividend at the rate of 8 per cent. was declared for year ended 15th February, 1884.

A JUDGMENT has at last been effected in the matter of the United States *versus* the Bank of Montreal, in the courts of the Chicago judiciary, Judge Blodgett having rendered a decision declaring that the Bank of Montreal is not liable for the tax of one twenty-fourth of one per cent. of the money which the Chicago branch received from the home institution, amounting to \$83,000, as the branch bank was incorporated under the laws of the United States, and should therefore be treated as an individual. This appears to be sound logic, although an appeal from the judgment will be taken to the Supreme Court. The branch bank of Montreal in Chicago it is said can lend lower than the other banks of that city notwithstanding the tax.
