

## INVESTMENT OFFERINGS

### Investments in British Columbia

We invite correspondence from persons desirous of obtaining reliable information concerning British Columbia mines, timber or agricultural lands.

We own and control large tracts of rich land in the fertile interior valleys—shortly to be tapped by railways now under construction.

Our timber holdings comprise some of the finest fir and cedar tracts on the coast—and this department is in charge of an expert of many years practical experience.

Our wide knowledge of Real Estate matters amply qualifies us to give sound advice.

We are prepared to place money on First Mortgage over safe, revenue-producing securities.
