IRON AND STEEL CONTROL RELEASED

The following cablegram, dated April 24th, has been received by the British government trade commissioners in Canada from the Department of Overseas Trade:—

"All subsidies and control over prices and material with regard to orders for pig iron, manufactured iron and steel and tin plates will be withdrawn April 30th subject to provisions of existing contracts and any export regulations. This means that manufacturers and merchants in the United Kingdom are free to make their own terms with regard to price and delivery from May 1st."
