**They Help**

Each other. Grocers and general store-keepers will find a profitable adjunct to their business in a line of our celebrated cigars. Once get a customer into the way of dropping in for a good cigar and you'll be surprised at the result. He comes in to buy only groceries and one of our fragrant LA CADENAS may catch his eye. He comes in for one of those satisfactory LA FLORAS to smoke on his way to the office and some new arrival in groceries tempts him into a purchase. See how it works? Profit both ways.

He may make a selection from other and less expensive brands such as

**EL PADRE**  
**MADRE E HIJO**  
**CABLE EXTRA**  
**KICKER**  
**MUNGO**

All of which sell well.

AND CRAVENETTES.**Mercantile Summary.**

SAYS Mr. Bartlet, Police Magistrate of Windsor: "It's astonishing what the world's coming to, when a country tries to pass a law making it a crime for a man to work in one country and live in another."

STUART & Co., of St. Andrews, have closed the branch of their dry goods business at St. George, N.B. Mr. James McLaughlin, who has been conducting their business, has started a general grocery store in that town.

MESSERS. HENRY A. KING & Co. have rented very convenient premises on the second floor of the Toronto Board of Trade building, and will do business as stock-brokers and commission merchants. Mr. King's long acquaintance with the grain and flour business in St. Catharines, where he was well and favorably known, will stand him in good stead. The firm have as correspondents the respectable house of F. G. Logan & Co., Chicago, Messrs. Hubbard, Price & Co., New York, and Messrs. L. J. Forget & Co., of Montreal.

It appears that the well-known flour mills on the Welland Canal at St. Catharines, carried on for many years by the late James Norris, are to be sold by the executors in order to a division of the estate. The capacity of these mills, if we do not mistake, is between 1,000 to 1,200 barrels per day, and they are fitted up according to recent and effective roller processes. The business has been an active and profitable one for more than a quarter of a century, the flour produced having made a good name for itself on both sides the Atlantic. It appears, therefore, that the purchaser would step into a very desirable trade.
