ARTICLE IV

Pay and Allowances

Trainees during their period of training in Canada shall be paid as follows:

- (a) Sudan shall issue to the credit of each trainee in Sudan such pay and allowances, according to his rank, as he may be entitled to receive under Sudan regulations. The Sudanese authorities will assume responsibilities for arrangements such as assignments or deductions from such pay and allowances, which may be required to meet such obligations as the support of a trainee's dependents in the Sudan. A trainee may make private arrangements to draw upon any balance of such pay and allowances remaining to his credit to meet his personal expenses while in Canada, if and to the extent that such arrangements are permitted by the Sudanese authorities. Pay and allowances issued by the Sudan shall be exempt from Canadian taxation.
- (b) Allowances shall be issued by Canada to each trainee, to meet his living and other expenses during his period of training, as follows:
 - (i) a maintenance allowance at a rate appropriate to the trainee's rank,
 - (ii) a clothing allowance if the trainee is in Canada for at least two months or during the winter season (October to April),
 - (iii) a ration allowance, in an amount to be determined by the Minister of National Defence, at any time that rations are not provided to the trainee free of charge,
 - (iv) a leave transportation allowance when appropriate, having regard to the duration of the training, and at the rates applicable to members of the Canadian Forces.
