Health Questions

(Answer
Yes or No)

1. Has there been on board during the voyage* any case or suspected case of plague, cholera, yellow fever or smallpox?
 Give particulars in the Schedule
2. Has plague occurred or been suspected among the rats or mice on board during the voyage,* or has there been an abnormal mortality among them?
3. Has any person died on board during the voyage* otherwise than as a result of accident? Give particulars in Schedule.
4. Is there on board or has there been during the voyage* any case of disease which you suspect to be of an infectious nature? Give particulars in Schedule.
5. Is there any sick person on board now? Give particulars in Schedule.

Note: In the absence of a surgeon, the Master should regard the following symptoms as ground for suspecting the existence of disease of an infectious nature: fever accompanied by prostration or persisting for several days, or attended with glandular swelling; or any acute skin rash or eruption with or without fever; severe diarrhoea with symptoms of collapse; jaundice accompanied by fever.

6. Are you aware of any other condition on board which may lead to infection or the spread of disease?

I hereby declare that the particulars and answers to the questions given in this Declaration of Health (including the Schedule) are true and correct to the best of my knowledge and belief.
