

ARTICLE V

(1) Transport Canada Civil Aviation of the Department of Transport and the Korean Civil Aviation Bureau of the Ministry of Construction and Transportation are responsible, on behalf of the Parties, for the administration and implementation of the provisions of Articles II, III and IV of this Agreement. For these Articles, the designated offices for facilitating communications between the Parties relating to this Agreement are those of the Directors of Aircraft Certification and Maintenance and Manufacturing for Transport Canada Civil Aviation of the Department of Transport and the Director of Flight Operation and Certification Division for the Korean Civil Aviation Bureau of the Ministry of Construction and Transportation.

(2) The Parties shall advise each other of any significant change to their legislation or organization affecting the administration and implementation of the provisions of this Agreement, including the identity of the persons identified in paragraph (1) above.

ARTICLE VI

Any disagreement regarding the interpretation or application of this Agreement shall be resolved by consultation between the Parties. With respect to production and airworthiness approval issues, due consideration shall be given to the prevailing requirements of the *Canadian Aviation Regulations*.
