

ANNEX A

Procedure for the Certification of Civil Aeronautical Products

1. Scope
 - 1.1. This Procedure (hereinafter referred to as the "Procedure") applies to:
 - 1.1.1. The reciprocal acceptance of findings of compliance with design, environmental and Design-related Operational Requirements for Civil Aeronautical Products, made by the Technical Agent of the Party acting as the authorised representative of the State of design.
 - 1.1.2. The reciprocal acceptance of findings that new or used Civil Aeronautical Products comply with airworthiness and environmental import requirements of either Party;
 - 1.1.3. The reciprocal acceptance of the approvals of design changes and repair designs of Civil Aeronautical Products performed under the authority of either Party.
 - 1.1.4. Cooperation and assistance on continued airworthiness of in-service aircraft.
 - 1.2. For the purposes of this Procedure the following terms shall be defined as follows:
 - (a) "Authorized Release Certificate" means a declaration by a person or organisation under the jurisdiction of the Exporting Party that a Civil Aeronautical Product, other than a complete aircraft, is either a newly manufactured product or is released after maintenance has been performed on it.
 - (b) "Export Certificate of Airworthiness" means an export declaration by a person or organisation under the jurisdiction of the Exporting Party that a complete aircraft, also under the jurisdiction of the Exporting Party, conforms to the airworthiness and environmental requirements notified by the Importing Party.
