Mr. Hopkins, from the Standing Committee on National Resources and Public Works, presented the Third Report of the said Committee, which is as follows:

Pursuant to its Order of Reference of Tuesday, March 10, 1970, your Committee has considered Bill S-5, An Act to amend the Oil and Gas Production and Conservation Act, and has agreed to recommend the following in relation to the Bill:

1. Your Committee recommends that in the promulgation of the regulations for underwater drilling, a provision be included requiring that applicants for a permit provide an appropriate guarantee of financial responsibility for the escape of pollutants either by bond, or by insurance.

2. Your Committee further recommends that the government consider expressly the designation and the setting aside of certain water and submarine lands for conservation and recreation.

A copy of the Minutes of Proceedings and Evidence relating to the above (*Issues Nos. 19 and 20*) is tabled.
