

EXPLANATORY NOTES.

Subsection 2 of section 21 at present reads as follows:

“(2) The Board shall, *if directed by regulation*, pay to each producer at the time of delivery of wheat to the Board, in addition to any other payment authorized by this section, a sum per bushel on account of storage of the said wheat on the producer's farm, for such period of storage as the Board in its sole discretion shall fix for the purposes of such storage payment, which sum, however, shall equal the amount payable for storage in a country elevator for the same period according to the country elevator tariff rate filed with the Board of Grain Commissioners.”

The only change made by this Bill is to delete the words “if directed by regulation” from the subsection as it now stands.

The effect of this change is to ensure that producers in the designated area will be paid the regular storage charge for grain stored on the farm. The determination of the date from which payment is to commence is left to the Canadian Wheat Board, but the payment of such storage charges to producers is by this new subsection made compulsory.
