

There are 41 \$1 votes in these Supplementary Estimates. A listing of these votes, as well as additional explanations relating to four miscellaneous \$1 votes, have been provided to members of the committee.

Hon. H. A. Olson: Honourable senators, Bill C-119 has exactly the same subject matter as what we dealt with in Supplementary Estimate (C). The deputy house leader, Senator Lynch-Staunton, has just given us a little more explanation than was reported by me on behalf of the committee. I do not know if a different pattern could be followed with this bill, but as far as I am concerned it is ready for second reading now, because we have dealt with it both here and in the committee.

Motion agreed to and bill read second time.

THIRD READING

The Hon. the Speaker: Honourable senators, when shall this bill be read the third time?

Senator Lynch-Staunton: With leave of the Senate and notwithstanding rule 59(1)(b), I move that the bill be read the third time now.

The Hon. the Speaker: Is leave granted, honourable senators?

Hon. Senators: Agreed.

Motion agreed to and bill read third time and passed.

The Senate adjourned until tomorrow at 2:00 p.m.
