

March 12th, 1926.

O. S. Finnie, Esq.,
President, McGill Graduates' Society,
Ottawa, Ont.

My dear Mr. Finnie:-

Replying to your letter of the 10th of March, I took the matter up with the Chancellor today and regret to have to inform you that it will be impossible for him to speak to the Ottawa Valley Graduates' Society this year.

Easter week happens to be the week in which the National Council of Education meets in Montreal. Mr. Beatty is the Chairman and all his spare time that week will be given to the Conference, at several meetings of which he is presiding. In the course of a few days I hope to be able to tell you who will go and represent the University.

With kindest wishes to you, personally, and to the Society, I am,

Yours faithfully,

Principal.
