begin to supply the demand, and prices of course were very firm.

Sheep and lambs also were very scarce, only \$43 to supply the demands of the various abattoirs and wholesale butchers. Sheep were firm, but lambs sold at as high, if not higher, values than at any time this season.

The hog market has been firmer all week, the receipts of Ontario hogs not being large enough to supply the many demands. But one firm informed us that they had 1300 hogs in transit from the northwest which will arrive here about Saturday.

The best feeding steers sold from \$6.75 to \$7; good steers, \$6.50 to \$6.75; stockers, eastern, at \$6 to \$6.25.

Milkers and Springers.

There was a fair supply of milkers and springers of fairly good quality. Prices ranged from \$50 to \$90 each, the bulk sold at \$60 to \$70 each.
