ASSOCIATION SANATORIUM, LOUISVILLE, KY.

COTTAGE. VIEW OF FRONT AND SIDE ELEVATION. CAPACITY, 12 PATIENTS. ESTIMATED COST, \$2,250.

"Over the doors of the wards and hospitals for consumptives twenty-five years ago might well have been written these words: 'All hope abandon ye that enter here!' while to-day, in the light of the new knowledge, we may justly place at the entrance of the modern sanatorium the more hopeful inscription, 'Cure sometimes, relief often, comfort always.'"—*Trudeau.*
