

RULES.

1. Annual Subscribers of 10s. or upwards, or if Clergymen, of 5s. or upwards, and Collectors of 7½d. or upwards per week, shall be members of the Association during the continuance of their subscriptions and collections. Benefactors of £2 10s. or upwards at one time, and Clergymen making Congregational collections to the amount of £5 shall be Life Members.

2. Members will be entitled to receive the Annual Reports, and other occasional publications of the Parent Society, and will have the same privileges as if they subscribed direct to the Parent Society.

3. The objects of this Association shall be, to call forth the zeal of Christians in general, and especially of Members of the Church of England, in support of the Colonial Church and School Society; to promote its objects and proceedings and the formation of branch Associations; to procure collections, subscriptions, and other contributions, and to give to the Parent Society information respecting any places coming under the notice of the Association where more than ordinary destitution prevails, either as regards pastoral superintendence, or the education of the young.

4. The whole of the funds obtained by the Association, after deducting incidental expenses, shall be held subject to the decision of the Parent Society.

5. A General Meeting of the Association shall be held annually on such day as shall be fixed by the Committee, when a Report of the proceedings shall be read, and an account of receipts and disbursements presented, duly audited, and the Officers of the Association chosen for the ensuing year.

6. The Officers of the Association shall at all times be re-eligible to their respective offices. All Officers of the Association shall be Members of the Church of England.

NOTE—It will be seen by this Report, and the information accompanying it, that the COLONIAL CHURCH AND SCHOOL SOCIETY is one in strict and faithful accordance with the principles of our BELOVED CHURCH, else it would not have upon its list of patrons HER MOST GRACIOUS MAJESTY OUR QUEEN; THE PRIMATE OF ALL ENGLAND, HIS GRACE the ARCHBISHOP OF CANTERBURY, or THE PRIMATE OF ENGLAND, HIS GRACE the ARCHBISHOP OF YORK, nor would it number among its Vice-Presidents many of the COLONIAL BISHOPS, if its constitution or rules were otherwise.

It will also be seen, that for twenty years on this continent, and for upwards of twelve years in Canada, it has been doing "A GOOD WORK," and that the recent *addition* of NEW MEMBERS from Canada and MORE FUNDS from "our Father Land," cannot or at least should not have any other tendency than to enable us "to lengthen our cords and strengthen our stakes," and also to enable us most efficiently to perform that work of furthering the interests of our Redeemer's Kingdom, which we believe our Church is so admirably calculated to accomplish.
