

THE  
CAMPOBELLO  
MILL AND MANUFACTURING  
COMPANY,  
IN  
NEW BRUNSWICK,  
BRITISH NORTH AMERICA.

---

[There are two plans given with this Pamphlet, one showing the outline of the shores of Nova Scotia, New Brunswick, of the State of Maine, and the Bay Fundy. This will show the geographical position of Campobello, which is fifteen leagues from St. John, four leagues from St. Andrews, eleven leagues from Calais and St. Stephens, four leagues from St. George or Magadeevic, and half a league from Eastport, with all of which it is in daily communication.

The other is a particular plan of Campobello, which, however, is on too small a scale to give a perfect view of its local advantages.]
