

## ALUMNI ASSOCIATION

—OF—

### Dalhousie College and University.

---

A committee was appointed by the Alumni of Dalhousie College to obtain the names of persons eligible for membership, and the following list is their report. Sec. 3 of the by-laws of the Association is as follows :

3. All Graduates of the University, all persons who during at least one academic year have been registered students either of Dalhousie College or of colleges which have been merged in or united with Dalhousie College, and all other persons who have at any time been educated by means of the funds of Dalhousie College, shall be eligible for ordinary membership. But no persons other than graduates shall become members until three years have elapsed from the date of their first entering the College, except by special permission of the Executive.

It will be seen that over 1200 persons are eligible for membership, and it is to be regretted that less than 100 are enrolled. This list is published to enable the friends of the Association to extend its membership, and it is expected that all the friends of the College will exert themselves to this end. The names of some persons may, by accident or mistake, have been omitted, and any errors pointed out to the Secretary will be corrected. Old students are requested to notify the Secretary of any change of address.

The annual fee for membership is \$2.00.
