

Employment and Advisory Department

BELIEVING that the first duty of the Young Men's Christian Association is to its own members and knowing that they quite often need help and friendly advice, the Employment and Advisory Department was established to fill this need. Membership is required in order to secure the benefits to be derived from the use of the Department because we naturally feel a keener interest in our own members than in those outside. This does not mean that the non-member will be refused aid.

In order to become a member of the Association in this Department the applicant must pay the membership of three
