# FLT.-LIEUT. TOMLIN DIES OF INJURIES

Was in Airplane Accident in  
England, According  
to Message.

## CAPT. F. W. OTT KILLED

Attended Parkdale Collegiate  
and Later University  
of Toronto.

Flight-Lieut. Alfred Hume Tomlin, son of Mrs. Ellen Tomlin, 389 Sunny-  
side avenue, is reported to have died  
on Sept. 18 of injuries received in an  
airplane accident in England on Sept.  
17. Word that he had died of his in-  
juries was sent yesterday to the young  
officer's mother by the secretary of  
the Royal Air Council. Lieut. Tomlin  
enlisted as a private in the 36th  
Battalion, but on arrival in England  
was made a sergeant-instructor in a  
machine gun battery. Failing to be  
allowed to go to France because the  
authorities said his services were re-  
quired in England, he applied for  
transfer to the Royal Air Force, and,  
after training, was granted his com-  
mission.

A cablegram received by his parents  
yesterday announced that Capt. Frank  
W. Ott, of Port Credit, formerly of  
24 Walmer road, who went overseas  
with the 25th Battalion, was killed in  
action on Sept. 17. He attended Park-  
dale Collegiate, the University School  
and the university. Prior to enlisting  
in 1915 he was a law student in Tor-  
onto. He has been continuously at  
the front for the last 18 months.

Flight-Lieut. J. R. Gordon McCallum,  
son of Mrs. J. McCallum, 244  
Bathurst street, reported missing Aug.  
23 on the western front, is now known  
to have been killed. His mother has  
received a letter from Major J. Leigh  
Mallory, commanding his squadron,  
stating that Lieut. McCallum had been  
killed, his machine out of control,  
and that his body had been re-  
covered and buried. Lieut. McCallum  
was born in Toronto 22 years ago.

Wm. Military Medal.  
Lieut. Sydney B. Cooper, military  
medal, has been killed in action. He  
went away from Toronto in 1915 with  
the 15th Battalion, as a private. He  
was wounded at the battle of Cour-  
cette, but after recovering returned  
to France and won his decoration.  
He was formerly on the staff of the  
Danforth branch of the Bank of Ot-  
tawa.

Pte. Grenville H. Evans, officially  
reported yesterday as killed in action,  
was the son of the late G. H. Evans,  
manager of the publishing department  
of the Methodist Book Room.  
He went over with the 19th Bn.  
His mother resides at 190 Evelyn  
avenue.

Lieut. R. V. Macaulay, M.C., son of  
R. Macaulay, 71 Howland avenue, re-  
ported last Saturday as dangerously  
wounded, is now stated in a message  
from himself to be progressing favor-  
ably.

Lieut. V. G. Snyder, R.A.F., of 433  
Walmer road, reported wounded two  
weeks ago, is stated to have been  
wounded in the leg and to be now  
in a French hospital.

Lieut. Clarence C. Kilmer, son of Mr.  
and Mrs. T. J. B. Allan, 2 McArthur  
avenue, is reported wounded in the  
left arm and gassed. He enlisted  
with the R.A.F. and was transferred  
to a British army unit.

Lieut. Thomas Telford, reported  
killed in action on Sept. 2, went over-  
seas with the 95th Battalion. His wife  
resides at 26 Golden avenue.

Sergeant Frank Shruball, reported to  
have been killed in action on Sept. 2,  
went overseas in 1916 from Camp  
Borden with the 136th Battalion. He  
was 35 years of age and leaves a  
widow and two young children.

## CAPT. SIME REPATRIATED.

Capt. A. W. Sime of Toronto has  
been repatriated after one year and  
ten months in the prison camps of  
Germany. News of his release has  
caused great rejoicing at the home of  
Mr. and Mrs. T. W. Sime, 215 Heath  
street. The message stated that he  
had been released for medical and  
surgical treatment. He is now in the  
Prince of Wales Hospital. He en-  
listed in 1914 with the 13th Battalion.

## WILL DISPLAY CROSS.

Owing to urgent calls on Sundays  
for chiropractors to attend to their  
professional duties, the executive of  
the chiropractors' association wish to  
announce that a purple cross will be  
initiated. D. C. is a distinguishing  
motor badge for displaying on the  
windshield of their motors, will be  
applied to Ontario chiropractors by  
applying for particulars to D. B. Mc-  
Lean, D.C., 3 College street, Toronto,  
Ont.

## In Old Age

Health and comfort in old  
age depends largely on keep-  
ing the liver and kidneys in  
healthful action.

Pains and aches, stiffness  
of the joints, lumbago and  
rheumatism tell of poisons  
left in the blood by sluggish-  
ness of the liver and kidneys.

People in advanced years  
hold Dr. Chase's Kidney-  
Liver Pills in high esteem  
because of the promptness  
and certainty with which  
they awaken the action of  
kidneys, liver and bowels.

Felt That He Would Never Walk  
Again—"Fruit-a-tives"  
Brought Relief.

MR. LORENZO LEDUC.

3 Ottawa St., Hull, P.Q.  
"Fruit-a-tives" is certainly a won-  
der. For a year, I suffered with  
Rheumatism, being forced to stay in  
bed for five months. I tried all kinds  
of medicine but without getting bet-  
ter, and thought I would never be  
able to walk again.

"One day while lying in bed, I read  
about 'Fruit-a-tives,' the great fruit  
medicine; and it seemed just what I  
needed, so I decided to try it.

"The first box helped me, and I took  
the tablets regularly until every trace  
of the rheumatism left me.

"I have every confidence in 'Fruit-a-

## WINCHESTER BRANCH OF G.T.L.P. IS FORMED

The Winchester street branch of  
the Greater Toronto Labor Party was  
organized last night. During the  
course of the meeting R. H. Amos  
stated that he had sent out a chal-  
lenge to Mrs. Hamilton and Mrs.  
Ormsby to prove the statements made  
by Mrs. Pankhurst at the Massey Hall  
meeting against the labor movement  
in general and trades unionism in  
particular.

William Varley, organizing secre-  
tary, stated that the Winchester sec-  
tion had not been well organized dur-  
ing the recent campaign, yet, despite  
the general tenor of the district, the  
vote for labor was good. Enumera-  
tors had left many names off the  
voters' lists, and the labor campaign-  
ers had not had access to the facilities  
of organization held by the great op-  
posing machine organization.

Mr. Pankhurst's criticism, the  
speaker quoted Premier Lloyd George  
to the effect that Great Britain had  
owed much to the labor movement.  
E. S. Montague had no less conceded  
his tribute to the loyalty and industry  
of the working men and women of  
Britain. This was a sufficient reply  
to Mrs. Pankhurst. But there was  
some anxiety lest she might injure the  
movement in Canada, as yet in its in-  
fancy.

Corporal Varley stated that Canada  
today had as great an army of in-  
dustrial women as there were in Bri-  
tain two or three years ago. This  
would form a strong factor in the  
coming problem of reconstruction.

This called for intense suffering was  
to be avoided.

R. H. Amos presided.

## SERGT. "BILL" CAMERON IS KILLED IN ACTION

Sergeant William ("Bill") J. Cameron,  
who fell in action in France on Sept.  
2, had lived in Toronto for 25 years.  
He was the elder son of L. K. Cam-  
eron, formerly king's printer for Ont-  
ario, and a brother of Mrs. Melville  
Bertram, Westmount drive, Toronto.  
He joined the 20th Irish-Canadian  
Battalion in 1916, and went overseas  
with that regiment, but on reaching  
the western front was transferred to  
one of the other Canadian infantry  
units.

Sergeant Cameron, who was 30 years  
of age, was born in London, Ont. He  
received his education in Toronto at  
the Lansdowne school and Harbord Col-  
legiate. He was single. Prior to en-  
listing he was with Saturday Night.  
He had been on duty at the front in  
France since last March. He was a  
member of Bloor Street Presbyterian  
Church.

A brother, Kenneth, had long ser-  
vice at the front, being twice in the  
casualty list, the first time wounded  
and the second time gassed. Miss  
Gladys Cameron, a sister of the late  
Sergeant Cameron, is also on war ser-  
vice, nursing in France.

## PRESENTATION MADE TO OLD OFFICIALS

James R. McCaffrey, ex-surveyor,  
and Wesley Pearson, ex-appraiser  
with the customs department of the  
port of Toronto, were last night pre-  
sented with illuminated addresses  
from the Customs Civil Service As-  
sociation. John Bertram, collector  
of the port of Toronto, making the pre-  
sentation. Mr. McCaffrey served 18  
years in the service and Mr. Pear-  
son 37 years. William Tinning, chief  
clerk, also officiated at the presenta-  
tion which was held last night at the  
Musicians' Temple, University avenue.

There had been some dissatisfaction  
over the alleged appointment of a  
western official to the post vacated  
by Mr. Pearson, but this was dispelled  
when it was learned that the ap-  
pointee was an old Toronto official  
who had been out west only a short  
while.

# PLAYS PICTURES AND MUSIC.

"Rock-a-Bye-Baby."

A decidedly novel way of  
musical plays is promised theatregoers  
when Selwyn and Company present at  
the Royal Alexandra Theatre on Mon-  
day night "Rock-a-Bye-Baby," direct  
from a six months' run at the Astor  
Theatre, New York. The engagement  
is for one week, matinee Wednesday  
and Saturday, and seats are now on  
sale at the box office. Selwyn and  
Company have spared no expense in  
making this production and company  
a notable one. Jeffries De Jacollis,  
known to all theatregoers, is in the  
lead, followed closely by Louise Dres-  
ser, Walter Lawrence and Edna Hub-  
bard. Dorothy Dickson and Cal Hy-  
son, two of the best known and popu-  
lar dancers of the day, have several  
new and original dancing num-  
bers. The chorus is young and pretty  
and extravagantly gowned in costumes de-  
signed especially for them by Lucille  
Raymond. Hittchey-Koo.

The revised edition of the bright  
and jovial "Hittchey-Koo," Raymond  
Hittchey-Koo's big musical show,  
will be presented at the Theatre  
next week, with the customary Wed-  
nesday and Saturday matinees. There  
are twenty scenes in the 1918 ver-  
sion of the new musical play. Hittchey-  
Koo is the great attraction. He is  
surrounded by a group of principals,  
each of whom is an individual in en-  
tertainment, and the chorus of "forty under  
twenty" in the Hittchey-Koo show means  
something. George Moore, Earl Le-  
land, Charles Howard, Ray Dooley,  
Gene Tynes, Ruth Mitchell, Jean Ro-  
berts, Eleanor Sinclair and Florence  
O'Donohue, are outstanding per-  
sonal features in the radiant 1918  
edition of the famous "Hittchey-Koo."

"Daddy Long Legs" at the Grand  
Opera House, which will be presented  
at the Grand Opera House next week,  
believed in fairness, because, for years  
she had told wonderful tales of her  
life in the orphanage and she had faith that they would  
rescue her from the drudgery of the  
asylum. Then this tale of a girl who  
was a victim of a somewhat cynical  
bachelor, who stipulates that she  
shall not be told the name of her ben-  
efactor, Judy. This is "Daddy Long  
Legs," which she wanted most;  
someone to love and someone to be  
loved by. The working out of this idea  
provides the comedy.

Next Week at Shea's.  
Nan Halperin, petite musical com-  
edy star, will headline the bill at  
Shea's Theatre next week, present-  
ing her second song cycle. Natalie  
and M. Ferrari present their new re-  
pertoire of ultra-classic and modern  
dances.

Frances Yates and Gus Reed  
have a clever singing, talking and  
dancing sketch, while Boetock's Riding  
School is a mammoth comedy act with  
clowns and horses.

"How Circus Riders are Made." Pos-  
ter Ball, assisted by Kerman Cripps,  
will present a "Dumb Show" im-  
provisation entitled "The Days of  
'61." Weber and Ridner are two  
youthful prodigies, and with the  
British Gazette, complete a bill of novel-  
ty and comedy.

At Shea's Hippodrome.  
A host of comedy with plenty of  
laughter, amusing situations and fast  
fun, will be presented to patrons of  
Shea's Hippodrome next week when  
the five-reel feature, "A Pair of Cup-  
ids," starring Francis X. Burman  
and Beverly Bayne, is shown. Marie  
Russell will head the vaudeville bill  
in "A Study in Brown." Joseph Wil-  
son, the clever Italian piano-accom-  
panist, has a wide repertoire of popu-  
lar and classical numbers, while  
Olathe Miller and Company will  
present the amusing comedy sketch, "Adam  
Kilroy." The Franklin Comedy Team,  
a quartet of amusing comedians,  
McCarthy and Lovinger, and a bril-  
liant singing and dancing offering.  
The French Brothers, two clever acrobatic  
artists in amazing feats, have a thrill-  
ling offering. The Pathé news and  
comedy, also add to the attractive-  
ness of a bright program.

Loew's Theatre.  
"The Whirlpool," a stirring drama  
of life in New York's tenderloin and  
gambling district, done with the great-  
est skill at Alice Brady's command,  
will be shown next week at Loew's  
Theatre and Winter Garden. Miss  
Brady appears as Bella Cavello, a  
young girl, compelled to serve as a  
decoy in the gambling house of her  
adopted uncle. E. H. Herbert, Miss  
Brady's leading man, is seen in the  
role of Judge Revorton. Jimmy Britt,  
ex-lightweight champion of the world,  
the headliner of the vaudeville, will  
tell amusing stories of actual happen-  
ings of his career in the ring. Friend  
and Downing will offer a skit, almost  
extemporaneous at each performance,  
that includes new songs and dances.  
The Guiltless Quartet, late of the  
Milan Opera Company, will sing popu-  
lar arias from grand opera, includ-  
ing the quartet from Rigoletto. Dou-  
glas Flint and players, presenting a  
sketch of business life, entitled "Easy  
Money." Meryl Prince and girls  
vaudeville's classiest girls, will pre-  
sent a comedy sketch, "The Gold-  
diggers." The comedy sketch, "The  
Gold-diggers," will be followed by  
premiere harmony and hilarity: Curtis  
Cannine, performing various stunts  
on barrels, high jumping and leap-  
ing. Loew's Weekly W. Pictures,  
and the "Mutt and Jeff" animated car-  
toons, are other features booked.

At the Gayety.  
Of more than passing interest to  
the general theatregoing public and  
the regular patrons of burlesque is the  
announcement that "The Golden Crook  
Company" will be the attraction at the  
Gayety for the week commencing  
Monday. This is considered to be the  
banner attraction because of its well  
balanced cast, its remarkable beauty  
chorus and the manner in which the  
entire production has been staged.

At the Star.  
Billy Watson's Oriental Burlesquers,  
Childhood "constipation" can be  
quickly banished through the use of  
Baby's Own Tablets. These Tablets  
are a mild but thorough laxative

# BOYS AND GIRLS HELPED ON FARMS

Reports are Read at Meeting of  
Industrial School Board  
Held Yesterday.

With Beverly Jones presiding the  
Industrial school board held its first  
regular fall meeting in the city hall  
yesterday. Reports were read from  
the Victoria Industrial School for  
Boys and the Alexandra School for  
Girls.

Following are extracts from Supt.  
C. Ferrier's report for the three  
months ending Sept. 1: "In the period  
ending Sept. 1, 1918, 12 boys  
and have not yet been recaptured."  
"We admitted in all 74 boys, includ-  
ing a number returned for violation  
of their parole, while the number  
paroled, etc., was 52. The attendance  
on Sept. 1 was 307, as compared with  
284 on June 1."

"The new commitments are chiefly  
from cities and large towns. There  
were 27 commitments for theft, 12 for  
housebreaking and theft and the rest  
for general incorrigibility and beyond  
the control of parents and employer."

"Of those paroled, 23 were sent to  
farm homes; three of these did not  
remain long in the country and may  
have to return to the school. Of  
those sent out to sugar beet farms in  
the early summer, 15 made good and  
have received their discharge papers  
and have now returned to their  
homes."

"Mr. and Mrs. Morrison of the staff  
of Victoria school for 15 years, have  
resigned to take up similar positions  
in Winnipeg."

An additional classroom has been  
opened in the school department, and  
there are now five classrooms at the  
school and nine classes."

The crops on the farm give promise  
of an abundant harvest, and Mr. Fer-  
rier asks that the cattle herd of 22  
cows be augmented in the near future  
to provide the school with fresh milk.

A new 12,000-gallon water tank will  
shortly be installed at a cost of \$1052.  
The expenditure for the three  
months was \$15,458.45, of which  
\$5046.99 was for salaries, \$2027.77 for  
permanent improvements, and \$11-  
226.67 for general maintenance.

Lacey W. Brooks, superintendent,  
read the report for the months of  
May, June, July and August from the  
girls' school. The average number of  
inmates had been 139 girls, while on  
Sept. 1 there had been 135.

Three of the 13 admitted during the

was hard pressed for accommodation,  
having had to refuse admittance to  
quite a number.

"We have placed out during this  
period 11 girls on first parole—five in  
good situations and six to relatives  
or friends. We have also replaced  
eight returned cases, six in situations,  
one to parent and one to another in-  
stitution. All these cases are under  
our close supervision."

"We have had 12 pupils returned  
for one cause or another. Five of  
these are already replaced, and four  
have been placed in other institutions,  
being feeble-minded."

The conduct of the school has been  
remarkably good during the summer.  
From 60 to 90 girls were out berry-  
picking every day at West Hill.
