U.T.S. READY FOR NEXT ROUND IN O.H.A.

Defeat St. Andrews Handily in Prep. College Fixture at Arena.

University Schools Junior team will go into the next O.H.A. round. U.T.S. clinched the prep college group honors by defeating St. Andrews 7 to 2 at the Arena yesterday afternoon. St. Andrews played sterling hockey for the first period and then blew up. The defence opened wide after this stage and Dunk Munro put the game on ice by scoring four goals in the second period.
Munro was the outstanding player. He rushed strongly all thru the game and three of his four goals were on pretty individual efforts. Rowell also played nice hockey and Agrest and Jeffreys checked well. Gordon was the best man for the losers.
St. Andrews checked well and used good passing in the first period. The result was that they held U.T.S. to one goal and Patten worked in for a counter. U.T.S. opened up the breach in the second period and scored three times. Jeffreys and Gordon made the difference alone for goals and scored three times from a scramble at the St. Andrews net. Patten and Agrest made the difference in the score 8 to 1 at the end of the second half period and the poorest hockey of the last period secured a goal in the third period and the game was displayed here. Both teams bunched badly and the St. Andrews defence was very bad.
The teams:
U.T.S.—(7). St. Andrews—(2).
Sullivan, Goal; Cameron, Patten, Rowell, Defence; W. Findlay, Agrest, Centre; McMillan, Jeffreys, Right; McKelvey, Left; Gunn, Sub; Heath, Referee—Jack Adams.

EXPECT RECORD CROWD AT TONIGHT'S CONTEST

Every Seat Sold—Both Teams in Perfect Condition for Tussle.

Tonight's senior game between Dentals and Hamilton at the Arena will draw a record crowd. Every seat is sold and some of the fans were willing to pay fancy-prices for tickets yesterday, but found that everybody that holds a couple of the pre-books is hanging on to them like glue.
The teams have met three times and thrilling contests have been the result each time. Hamilton have an edge of one goal in the group and if they win tonight, means that Toronto will not be represented in the O.H.A. finals. Dentals must win to tie up the group, and if they turn the trick, home and home games for the group title will likely be the order.
Both teams are ready and every player is in the pink. Charlie Stewart, the Dental goalie, who was hit in the face at Hamilton with the puck, will be on the bench. Hamilton will start back on the defence with Brown and McCaffrey, and Smith and Sullivan will be the forward line. Hamilton will use Reume in goal; Matle and Reise on the defence and the Dental goalie will be composed of Green, McCarthy and Roach, with Copper and Dupont.
Nobody can pick the winner. The wagering is as even money and it looks like a hard fought contest.
The bleachers will be open at 7 o'clock tonight and about two hours stand will be able to get in here. General admission tickets will be allowed to stand around the top of the Arena, if it is expedient to do so. A large crowd is expected to see the game. Steve and Bobby Hewitson will be the officials.

Easy Victory for Aura Lee Juniors

Aura Lee defeated Maitlands, 10 to 6, in a junior game last night, but the Avenue road outfit were not on their best behavior and the first period was far from good hockey. The boys bunched, and the defence was slow in clearing. Aura Lee generally turned the wrong end, in addition to this little lot, the forwards forgot to pass.
The third period before they settled down to work, and then Aura Lee ran in six goals and made it a walk-away. Each club grabbed two goals in the opening period. Rodden scored two for Aura Lee in the second, and Maitlands failed to budge the net. The last round saw Aura Lee get six, while Maitlands were getting three. Connacher was a strong rusher all thru, and Waldron was the pick of the Maitland team.
The teams:
Aura Lee (10)—Devitt, Goal; Hogarth, Defence; 8. Burt Connacher, Defence; Ritchie, Rutherford, Centre; Ross, Rodden, Right; Wright, Left; Tyrrell, Sub; Barnes, Applegate, Sub; 34, Burt.
Referee—Harry Meeking.

BASKETBALL

City Playgrounds Juvenile O.A.B.A. team defeated the Bradwell boys at Royal Templar Building last night in a league fixture, 18-10. The half-time score was 10-6 in favor of the winners. The low scoring was due to the class checking of both teams. Miller and McLean worked some good combination for Bradwell, while Gold and McVicar combined splendidly for Playgrounds.

Teams:
Bradwell—A. L. Irwin, 2, W. E. Miller, 4, forwards; A. McLean, 2, centre; W. E. Alth, and A. Stewart, guards.
Playgrounds—J. Greenbaum, 3, and Gold, 2, forwards; J. McVicar, 2, centre; H. Brown and R. Levy, 2, guards.
In the second game Playgrounds Intermediate A. team won from West End, 44-20. The winners led by half-time, 21-20. Hamm and Anderson showed some old-time form for the West End. While Douglas and Burns came back with six field baskets each. Teams:
West End—Hamm, 8, and Yeomans, 2, forwards; Anderson, 3, centre; Grant, 2, and Lancaster, 2, guards.
Playgrounds—Mackie, 3, and Douglas, 12, forwards; Burns, 15, centre; Cole, 5, and McKenzie, guards.
BEACHES PLAY CLASSICS AT THE ARENA TODAY.
A fast game is assured for this afternoon at the Arena, when, starting sharp at 2.30, the classics of both games will be played. A. A. teams will meet in the opening game in the eastern section of the senior series of Toronto Beaches Hockey League. While these teams have been great rivals for years, an added incentive to win today's contest is that the winner will qualify for the intermediate O.H.A. semi-finals. Classics will likely select their team from the following players:
Goal, Clairmont; defence, McMillan, G. Smith and Kivpatrick; forwards, Cecil Hill, Charters, N. Smith, McClure, Pecteau and Quinton.
While the classic line-up looks exceptionally strong, still Beaches expect to trot out a formidable team from the following: Goal, O'Brien; defence, Jess, Spring, Jimmy Clegg and Halliwell; forwards, McCarty, Roy, Cooper, Reid, Atwell, Rodden and Beiness.

WOODSTOCK WIN BOTH.

Ingersoll, Feb. 7.—Senior and junior games with Woodstock Collegiate Institute were played by the L.C.I. at the Woodstock arena tonight. Both games were won by the visitors, who showed splendid form in each series. The seniors defeated Woodstock 2 to 1, and the juniors by 6 to 3. Both games were fast, and created much excitement amongst the many students present.
The senior game was keenly contested, but the visitors showed superior form. The work of Johnston was a feature. Only two periods were played in each game. The half-time scores were: Seniors, 2 to 1; juniors, 3 to 1.
The teams:
Ingersoll (11): Goal, Sherlock; left defence, Healy; right defence, Daniels; centre, Cooke; left wing, Mair; right wing, Thomas.
Woodstock (5): Goal, Dunlop; left defence, Johnston; right defence, Wilkins; centre, Gray; left wing, McLaughlin; right wing, McCarthy.
Juniors—Ingersoll (8): Goal, James; left defence, Daniel; right defence, Thompson; centre, Richardson; left wing, McKay; right wing, Hutt; sub, Currie.

WRESTLING AT W.E.V.M.C.A.

The senior business boys held the final bout in their wrestling championship 155 lbs. class—Hall obtained a fall on Clarke in 1:45. Hall defeated Irwin in 20 sec. Irwin pinned Rodden in 20 sec. 115 lbs. class—H. Fee, 2, Love, 12, vs. class—L. Garland, 2, Marrett. Unlimited class—L. Tudhope, 2, Thompson.
Mr. Harvie Adams and J. Brownings gave an exhibition in the first set of wrestling and were well received by the large crowd of fans. Swartman and Kuefer also staged a very fine exhibition bout, and they had to go on for a three-minute extension, with a decision in favor of Swartman.

DIVIDE CITY CRICKET CLUBS IN SECTIONS

Problem Discussed at Meeting of Captains and Secretaries of Clubs.

Sporting Editor The Toronto World: At the meeting of captains and secretaries of the cricket clubs of the city, the most contentious and knotty problem presented was the proposed division of the clubs into sections. Two schemes were discussed.
Dividing into east and west as was in force previous to last season, and the other: placing the better clubs into one section and the remainder into another. No amicable agreement could be arrived at. The reasons advanced for and against each proposal need not be discussed in this article; suffice it to say that opinion was equally divided, consequently no decision was made. The meeting, by the arguments presented, there did not seem to be any likelihood of establishing a satisfactory arrangement.
Would it not, therefore, be advisable in the interest of all concerned, to evolve some scheme to prevent discord among the clubs which might possibly occur if the advocates of one section had prevailed to submit reluctantly to the other? It would be a pity to see the city divided into two sections, each with a view to consolidating cricket so that all clubs would be in one contest, while each club plays 14 games, except the appended suggestion as an attempt to meet the situation. It is suggested that the scheme is perfect, but in the writer's opinion it may eradicate the scruples of those clubs who dislike the idea of two classes, and also prevent a too frequent recurrence of games which are a foregone conclusion.
Suppose 12 clubs enter the competition (there will probably be more). It is easy to see that home and home games cannot be played by all, as the time available. Therefore let each club arrange as far as possible its own schedule according to its own desires, except that each must arrange a stipulated number of home games which could be exceeded if desirable. Each club's schedule to be duly registered and no other games arranged to count in the competition. If any club fails to play the requisite number of games to qualify, the executive to adjust the programme at their discretion to enable each to have the promised number of games.
We will name the 12 club A. B. C. etc. 2 points for a win; 1 point for a draw game. If a club plays 14 games, and wins them all they will make 28 points and if a club wins 13, and draws the last, it will make 26 points out of a possible 28, and would make 93 per cent, and so on.
By carefully perusing the subjoined table of an imaginary competition under this scheme the results arising out of the various situations according to matches played will be easily seen:

Matches Played	W.	L.	D.	P.	Per cent.
