Would Oust Alien Enemies. He estimated that there were in Canada no less than 94,500 alien enemies who were undesirables. Comrade Mansfield declared that he came with the mandate to get the convention to urge the Dominion government to take some action in the matter, or otherwise they would do so themselves. He said this because he had received a letter from Hon. Arthur Meighen, in which the minister said he saw no reason for getting rid of the aliens. SPECIAL OFFER 60,000 Extra Credits

Here's Your Chance To Get a Running Start

During "Special Offer" period, which is from the start of the campaign up to 11.00 p.m., July 30th, 60,000 EXTRA CREDITS will be given on every six six-months new subscriptions.

This does not mean that six-months subcriptions are the only ones that will be credited on the offer, for all new subscriptions for three, six, twelve or twenty-four months will be figured at their equivalent. One two-years subscription would count as four six-months subscriptions on this offer or, on the other hand, it would take two three-months subscriptions to equal one sixmonths subscription.

The subscriptions need not all be turned in at one time, for the extra credits are not figured until the close of the offer, at which time all the business each member has sent in is figured up and the extra credits issued accordingly.

There is no limit to the number of 60,000 "Extra Credit Vouchers" that any one member can earn. One of them is issued for each combination that totals 36 months.

It is positively guaranteed that there will be no time after July 30th when so many extra credits will be allowed on new subscriptions.
