of Lower Figures and Speedier Delivery.

Lord George Hamilton, replied that the Indian Government had nothing to do with the contract. It was given, he said, by the Burmah Railways Company, which invited six English and two American firms to make a tender. Four of the former refused to bid, and the most favorable English tender received required three years for completion of the work, at a cost of \$580,000, while the best American tender proposed to complete the work in one year, at a cost of \$300,625. The company had, in these circumstances, accepted the tender of the American company. Lord George Hamilton added that the Indian railways always gave preference to British manufacturers, but he was sorry to say that this was not the first contract in which there was a marked difference in the price and time of delivery between British and American tenders.

Buffalo Bouncer Will Not Allow Ind portation of Grain Shoyelers. Buffalo, May 9.—Inspector De Barry's attention was called to-day to an advertisement inserted in a Toronto paper yesterday for 100 laborers. These laborers, it is said, are wanted in Buffalo to take the places of the striking shovelers on the docks.

"All I have to say," said De Barry, "is that if Mr. Connors brings into this country those 100 men it will cost him \$100,000 in addition to costs. It is a violation of the United States Alien Labor Law."

The country is being scoured by British and American soldiers in search for lead from which the natives might make bullets. A British planter, who had been a prisoner in the hands of the rebels for six weeks, has arrived at Apia. DEAR SIR,—I have been a great sufferer from Piles. The last attack was the most severe I have experienced. For ten days I could neither sit nor stand, and walking was out of the question, so great was my.suffering. I could find no relief anywhere until your Pile Ointment was recommended to me. I got a box. I was relieved by the first application. In two days I was able to resume work and felt perfectly cured within a week. I volunteer this testimonial. I desire that people who suffer as I have done may know where to get such prompt relief as I found in the use of Orien's Pile Ointment.
