ANOTHER ARMED BURGLAR

Breaks into a House, Wakes up the Owner and Demands the Valuable.

Between 2 and 3 o'clock yesterday morning, Charles Mance, plumber, who lives at 139 First-avenue, was awakened by an armed burglar, who wanted to know where the valuables could be found. Mance refused to move from the bed, whereupon the thief told him to put his head under the bed clothes while he struck a light to search the room. After examining the pockets of Mr. Mance's clothes the thief departed, taking with him an overcoat which was hanging on the hall stand.

Walter Fryer was acquitted of a charge of stealing some newspapers from Alex. Roy, 127 Bay-street.

The alleged forger, Henry McInerney, was committed.

The case of Mrs. Delaney, charged with selling liquor without a license, was adjourned for a week.

George Riley was further remanded for a week on a charge of breaking into a house at 102 St. Elizabeth Smith, charged with shoplifting, waived examination, and was committed for trial.

Orilla is Coming to the Front.

Mt. St. Michaels, Dec. 4th, 1899.

Dear Sir—As the company manufacturing the Orilla Porter does not seem to have answered the letter which appeared in one of your late issues, I may say that I am manufactured by "The Orilla Beverage Company," Orilla, Ont., and that I have used it for about 2 years with the most beneficial results, and under my family physicians advice. Perhaps the company did not see your letter, you ought to not take your paper if they don't they miss something. I know they are doing a good business, but with the reputation they have they could be improving. I wish to increase their capacity to an unlimited extent.

Among Normal School Students.

Since Nov. 23 examinations have been going on in the Normal School, and until the 15th. During this week the students are being examined in oral teaching. Mr. Tilley is in charge of the examination, and is assisted by Messrs. Embury, Smith, Hilliard, Park and Rev. W. H. Colles. So far the students are getting on well. On the 15th there will be a reception held in the school at 8 p.m., for which a good program has been arranged. Hon. Richard Harcourt, Minister of Education, will be one of the speakers, and S. H. Armstrong will read the valedictory. The term in the school has been a pleasant one, and the city and country divisions being the same as in the past. The literary society excelled that of previous terms, as did the football team.

Lecture on Parkman.

In the theatre of the Normal School tomorrow evening a lecture will be delivered by Mr. Bernard McEvoy on "Parkman, the Historian of Canada," illustrated by a special series of stereoscopic slides made for the occasion. The lecture will be under the auspices of the Woman's Art Association, and the admission tickets made for the holding course tickets will be 25 cents. The interest of the subject and the fact that Mr. McEvoy has recently been in Boston, where he has secured considerable information about the historian first-hand, should secure a good attendance.

Appreciated Honorary.

The choir of the Euclid Avenue Methodist Church gave an enjoyable and well attended concert on Monday night. They were assisted by Miss Jessie Alexander, Miss Wheeler, soprano, and Mr. Arthur Blight. At the close of the official program the church expressed in cordial terms their appreciation of the work of the choir and its able leader, Mr. J. O. Honsberger.

THE great success of our **Guinea Trousers (\$5.25)** this fall is astonishing even to ourselves. The demand for them is so great as to practically constitute a business in itself. Gentlemen who wear our Guineas are most emphatic in speaking of their merits. Have you considered them from an economical standpoint? They are positively worth \$8.00. We sell them for \$5.25. It's worth considering.

Steps to be Taken to Wind Up the Neelon Contract and Relieve Architect Lennox.

PUBLIC CENSOR FOR SHOW BILLS.

City Engineer Rust Evidently Wants to Crowd More People Inside the Trolley Cars.

The Board of Control took a wise step yesterday when they decided to petition the courts to have the Elliott & Neelon contract declared completed, thereby relieving Architect Lennox of the responsibility of managing the new City Hall. The board think that they are now well able to take charge of the building, and have instructed the City Solicitor to prepare as soon as possible the memorial to the courts.

The decided action they took was the outcome of a communication received from Street Commissioner Jones, asking that he be instructed what to do with the Elliott & Neelon plan which is now stored on city property near the corner of King and Dundas-streets, which has recently been purchased by the Metallic Roofing Company. The Commissioner says that something should be done with it immediately, as it was being ruined, and if not removed shortly will soon be useless.

Steps to be Taken.

Ald. Burns said that the time had arrived when the courts should be asked to wind up the contract and relieve Mr. Lennox of his responsibility. He said in his present position by them.

The board likewise shared his opinion, and the necessary steps will be taken, and the necessary steps will be taken, and the necessary steps will be taken.

Chairman Mallon of the High School Board and Dr. McPaul came with the quest that \$7000 be granted them to tide the school over this year. He pointed out that the original appropriation had been greatly reduced by the board, and as a result, they were now in urgent need of money.

The board looked upon the request in a favorable light.

Burns Wants a Censor.

The resolution forwarded by the Local Council of Women, asking that street positions be submitted to a censor first, was favored by Ald. Burns, and sent to the Chief of Police.

Hallam and New Market.

Ald. Hallam had a bright suggestion to make. It was that application be made to the Legislature to compel farmers to do their business at St. Lawrence Market, as the city had spent a great deal of money upon it, and it was only right they should have a fair return.
