TABLE CREAM

Of course you must have this. You want it for breakfast, lunch and dinner. You can have it in half pint bottles, but better order one pint or more and then your family and guests will not be stinted.

#### WHIPPING CREAM

You want this for coffee, jellies, fruits, etc. Some people take the cream off our bottled milk and whip it, but we sell you very heavy whipping cream at 1 3c per half pint, so better order it and use the rich whole milk for drinking or cooking.

#### WHIPPED CREAM

If you have not the facilities for whipping, we can send you whipped cream at 15c per pint. This is very good and is largely used by the best housekeepers.

#### DEVONSHIRE CREAM

Have you ordered it yet? If not, you've missed something good. It's simply pure, thick scalded cream and takes the place of whipped cream on jellies, etc. Per jar, 25c and 50c.

Not necessary to talk much about these, as our ice creams and fancy ices have become famous. You can have any kind or style you want. Ask our Order Department man-he will give you all particulars. Ice Cream Easter Eggs are attractive novelties. We have them. Our telephone is at your service-No. 2040 north. Each inquiry will receive individual attention.

CHARLOTTE RUSSE

This is not all cream, there is just enough cake to make the dish complete. You probably know what we make-any style and shape, and the price reasonable.
