THE ABOVE CUT

was made from a sketch of the original garment. It shows the exact style of the Peter Thompson Pull-over Blouse Suit for boys. We had it made specially for our trade, and it is an exclusive style. Made in a pretty shade of navy blue cheviot serge, brass buttons, collar white braided, two stars on either corner in white and red, silk crest on right sleeve and service band of red on the left. It is one of the most handsome suits we have ever shown, and at 5.00 the suit it is splendid value. Orders by mail filled same day as received. We have the Peter Thompson Reefer in the same materials as the suits, also in a pretty olive shade, at 4.00 and 4.50.

FARES ON SCARBORO RAILWAY.

County and Road Officials Confer Regarding Extension and Rates.

A committee of the York County Council, composed of Messrs Baird (chairman), Evans, Pugsley, Hartman, Turner and Woodcock, met the Scarboro Township Council at the old court house on Adelaide-street yesterday afternoon to consider the extension of the Scarboro Electric Railway from the Halfway House to Highland Creek bridge. Reeve Andrew Young was in the chair, and W. H. Grant, solicitor for the township, looked after its interests. The company was represented by E. H. Keating and Dyce W. Saunders.

The company is now operating about five miles from the Woodbine to the Halfway House, under a charter which expires on Nov. 16, 1912, and there is no agreement under which they can extend the line without the Council's consent. Mr. Grant acted as spokesman for the township, and suggested various conditions and arrangements, which Mr. Keating said they would consider.

The Council wished the track to run on the south side of the road, if possible, between the ditch and the line fences, and the question of keeping the track open in winter was discussed. The next point was the passenger service, and six cars each way in 24 hours was proposed and considered reasonable by Mr. Keating. A freight service daily was also desired to deliver farm produce at the Woodbine. One car to go west in the morning and east at night was considered sufficient. It was stated that 300 cans of milk are brought in daily by wagons, and Mr. Keating said they were after that trade and would doubtlessly satisfy the farmers in that regard.

The question of fares then came up. Mr. Grant said the present charge of 15c for a return trip from the Woodbine to the Halfway House was satisfactory, and suggested 25 cents, return, from the Woodbine to the Bridge, a distance of about 10¼ miles, or 15 cents single. Also a 20-cent fare from Scarboro to the Woodbine and return, or 12½ cents single.

The Council also asked that six tickets be sold for 25 cents for distances under three miles and 10 tickets for school children. In view of the proposed erection of a High School at East Toronto, a special ticket for students was also asked. A number of people living near the Stark property near Auburn Hill asked that the six-for-a-quarter tickets be used for fares from the Woodbine to a point half a mile east of the present waiting station, between lots 30 and 31.

Mr. Keating said that they proposed going on at once with the construction, and the road would probably be built this year. He did not anticipate any trouble from the Grand Trunk Railway crossing. They would probably build an overhead bridge, and he thought that it would be fair to give them one year to begin the work which should be completed in two years. He considered that they should get a 20-year franchise with a new agreement.

The meeting adjourned with no definite result. Mr. Grant will embody the ideas of the Council in an agreement, which he will submit to Mr. Saunders, and the matter will be considered again at the next meeting of the Council.

WENT VISITING

What She Learned at the Old Home.

After being away from the old home for years folks sometimes go back and find some surprising changes. An Ohio lady says: "I learned something valuable about coffee when I went home. I had been sick all the time with heart trouble and headaches and used a great deal of medicine without getting better. One time I went to my old home on a visit and there found my father and mother using Postum Food Coffee and both feeling so fine and well.

"They both begged me to try Postum and I finally did so to please them, and to my great surprise I began to improve immediately. After using Postum in place of coffee for a short time the heart trouble stopped entirely and did not return except when I tried some coffee while on a visit to a friend's house. Now we use Postum exclusively in our family and husband and the children enjoy the fine drink as much as I do and we are well.

"There is a lady living near us who had been sick for years, doctoring all the time and not getting any better. We sold her a package of our Postum and now they use it all the time and she is better than for years before, and says Postum did it all. Her name is ——.

"I enclose the names of my father and mother, who are fine, healthy examples of the advantages of using Postum in the place of coffee." All the above names given by Postum Co., Battle Creek, Mich.

The case of Evans v. Foster was again adjourned. This is an assault case, which took place on May 25. Evans has been so ill since that he has been unable to appear. Drs. Mavity and Mason examined him here, and the doctor at the Western Hospital reports that it may be four weeks before he is able to appear.

East Toronto.

East Toronto, June 26.—Complaint is made of a gang of about 20 foreigners, said to be syrians or other Orientals, camped near the Kingston-road, in the vicinity of Blantyre Park. A daughter of Mr. Sheppard of the Gooderham farm, Miss Rumph and others have been annoyed by requests for money. They have become a nuisance and the county authorities should compel them to move on.

The G.T.R. station in East Toronto is York Station, and the railway people have, so far, refused to make the name of the station synonomous with the name of the town and shippers and others suffer in consequence. A case in point is that of Mr. Zieman, the Main-street merchant tailor, who had a consignment of goods shipped to him on May 9, from Dover, N. J. He paid the customs duty at Toronto on May 30, but the goods have not reached him yet.

The Rev. Thomas Ratcliffe will preach at the morning service in the East Toronto Baptist Church from the text, "Make us the foxes," found in the Songs of Solomon. In the evening his subject will be, "Safe Side."

On Sunday next is the 10th anniversary of the opening of St. John the Baptist Church, Norway. The rector, the Rev. W. L. Baynes-Reid, will preach at the morning and evening services. The offertory will be applied to the debt on the church. The choir will render special selections.

St. John's Church, Norway, has been much improved lately by placing donner windows in the roof for ventilation.

Ira Bates, road foreman of the Township of York for the Norway division, resigned his position, but at the urgent request of many ratepayers, has withdrawn his resignation. His many friends and neighbors consider that the township engineer should have placed the work of grading and constructing the roadway on Woodbine avenue, north in Mr. Bates' hands and not in an outsider's. At the next meeting of the Ratepayers' Association a protest will be made and representations sent to the Township Council.

The Royal Canadian Bicycle Club had a 6-mile road race on the Kingston-road this evening at 7 o'clock. There were 16 contestants.

Sunday next will be the bi-centenary of John Wesley, founder of Methodism. Sermons appropriate to the occasion will be preached by the Rev. Jos. E. Wilson in Hope Methodist Church.

A very pretty wedding was celebrated at St. Olave's on Thursday evening, the ceremony being the marriage of William I. Stinson of High Park and Miss Elizabeth M. Smythe of Swansea. The ceremony was performed by the Rev. F. Vipond, under a beautiful floral bell suspended by festoons of ferns and marguerites, the chancel and pew ends being similarly decorated. The bride was attired in white organdie, trimmed with cream lace, and was given away by her brother, Mr. Thomas Smythe. Miss Cassie Smythe was bridesmaid, and looked very pretty in white mousseline de laine. The groom was supported by John Wise. As the bridal party left the church Mendelssohn's Wedding March was effectively played by Miss Presley, the organist.
