TEMPERANCE PEOPLE MAP PLAN OF CAMPAIGN

Not Decided Whether to Ask for Reduction Plebiscite or Elect Favorable Council.

HAMILTON, Nov. 17.—(Special.)—The temperance federation, made up of members of temperance societies and churches, met this evening and mapped out a lively campaign for a reduction in the number of liquor licenses. Just how they will try to accomplish their end will not be decided until next Saturday night, but in the meantime arrangements will be made for meetings, commencing Monday evening at the Hamilton Temperance Association Hall, Mr. Shearer, Monday night, James-street Baptist Church, Rev. Dr. Pidgeon, Toronto, speaker; Tuesday night, St. Andrew's Presbyterian Church, Ald. D. E. H. Toronto, speaker; Wednesday, First Methodist Church, Rev. Dr. Chown, Toronto, speaker; Thursday, Brethren's Church, Rev. Dr. Shearer, Toronto, speaker; Friday, Knox Church, Rev. B. Spence, Toronto, speaker; Saturday, St. Andrew's Presbyterian Church, Ald. D. E. H. Toronto, speaker; Sunday, Hamilton and West Toronto, Rev. Dr. Shearer, Toronto, speaker. It has not been decided whether to ask for a plebiscite on license reduction or to try to elect a temperance council. A large committee of 70 was named to-night to take charge of the campaign.

Hart Shredder "Wrestling."
Wallace Shredder, 84 North West-avenue, had his shoulder dislocated this evening while wrestling at the M.C.A. and had to be taken home in the ambulance. Hiram Jones was thrown out of a rig in collision with another rig this evening at the corner of King and Macdonell streets and received serious injuries about the head.

At Hamilton Presbytery this afternoon calls were sustained from Scarborough to Rev. J. Anthony, Wainwright, and from St. Giles' Church, Hamilton, to Rev. R. G. Paulin. Toronto, Mr. Paulin will be inducted on Nov. 20.

District Epworth League.
At the annual meeting of the Hamilton District Epworth League Convention held at the Epworth Church, following officers were elected: Rev. R. J. Trevelyan, hon. president; George I. Lush, president; C. C. H. Wilson, vice-president; A. E. Wilcox, Mrs. G. H. Pliginsk, and Mrs. G. E. Jones, vice-presidents; J. H. Robinson, treasurer; Miss Lutz, secretary. The receipts for the year amounted to \$187 and there was a deficit of \$25.

Boy Damaged Church.
Arthur Payne, 12-year-old boy, was remanded until Wednesday in police court today on the charge of damaging the Plains-road Methodist Church. It is alleged that he poured boiler oil on the exterior of the building, smashed the organ and the lamps.

An extradition warrant was issued today for Roy Voelker, a youth who escaped from an industrial school near Rochester. The lad has had an exciting career. In 1907 he was sent to the Mimico Industrial School, from which he escaped, afterwards falling into the hands of the police at Northchester and being sent to the Rochester Industrial School for theft. He made his escape from this institution in 1908 and returned to Hamilton. His parents will fight extradition, and will charge that he was treated with great cruelty both at Mimico and Rochester. The point will be raised also that the Mimico School should have the youth.

Mrs. Teller, Chicago, claims that her 16-year-old son, George, was stolen from her and brought to Hamilton. Claims Rich Estate.
William Wilson, North-street, and his sisters, two of whom live in Toronto, are laying claim to one of the richest estates in England. Mr. Northedge says he is a descendant of Sir Edward Northey, attorney-general in Great Britain in the reign of William III. The estate is valued at over 5,000,000.

Mayor Stewart has discovered that a fortune teller who should be looked after in the house of refuge has been admitted to the Hamilton insane asylum. A majority were sent some years ago to a provincial institution, and no one has taken interest enough in them since to have them removed to the House of Refuge.

Cataract Magnates Confer.
The Cataract magnates had an important conference today in Chicago. One of the matters that will be settled is whether Vice-President Binchard is to remain and carry out his policy of improving the street railway.

The Citizens' League will meet in the Board of Trade Thursday evening, and will pass resolutions condemning the municipal authorities because the law with reference to gambling, liquor-selling and disorderly houses is not enforced more strictly.

Spencer Case, the well-known drug- merchant, has made an assignment. The liabilities are said to be about \$20,000. No statement of assets has been prepared.

The trial of William Lawson and Harry Dillabough charged with a violation of the Election Act will be held on Dec. 4, before Justice Anglin.

There is no truth in the report sent out from Kingston that Ben Simpson was so badly injured that he would not be able to play again this year. He is the unsightly warts removed.

The operation is simple and painless and just apply Putnam's Wart and Corn Extractor. For fifty years it has been curing warts and will cure yours too; try Putnam's.
