

Turf Direct Wins Seagram Cup

Note and Comment

Once more the followers of the favorites fared gloriously at Woodbine Park, and again there was sorrow in Parnbrokers' Row. Glimmer ran away behind expectations and burned up a lot of Hamilton and other money in the feature race that went to R. J. Mackenzie's Direct, quoted at 8 to 1. And apart from the two-year-old event, in which Polle at odds-on, finished behind the second choice, Megantic, the favorites all landed the coin.

Of course there were players in proportion, not in the winners' class, as many of you realize. Besides Glimmer and Polle, there were others that were backed and beaten, for instance Bellwether, split choice with Red River, also Puredane, in the opening race, but both landed place and show money. Then in the second Port Garry, Canvas, Spencer, Reiff and the two Dons in the steeplechase, left sad memories in the ring, in the Valley Farm Handicap Lady Esther saved her friends, who played the place, but the Clyde and Pocomoke and Quaker recouped their followers nowise. Finally in the last event Consistent, victor in the last event Consistent, victor in the second only to the winner, was a jewel by no means.

The Stanley Barracks Cup is the feature to-day. It is a new piece of plate this spring, the race having been won the past three years by Mr. D. K. Kerr with Dunavick in 1906 and Purity in 1907 and 1908. In 1905 Mr. C. M. Harris' Pillardist won the first cup. To-morrow the big event is the King Edward Gold Cup, with \$1000 added money.

At Belmont Park and Gravesend this will be a busy week. The stakes that will be raced for are the Belmont, worth \$30,000; National Stakes, \$14,000; and the Van Cortlandt Handicap, \$10,000. Crispin, \$1000; Great American, \$25,000; the Myrtle, \$1000; Kensington, \$1000; and Grand National Steeplechase Handicap, \$800.

The Brooklyn Handicap, with the first and third in the Toronto Cup as prominent contenders, will be the feature of the program on Thursday, the opening day of the spring meeting at Gravesend. It will be made up of the field of the first of the starters will carry the weights originally assigned for this handicap is one of the few in this country which do not demand a penalty from winners after the publication of the weights. The probable Toronto, and for telling him so Manager Kelley was ordered from the grounds. Rube Grimeshaw was the recipient of a beautiful bunch of flowers from his local admirers, and then he fanned, as is the usual custom. The attendance in the afternoon was a big one, considering that there was a circuit of three blocks away, and that the lake and river excursions made a start to-day. Scores:

Leafs Win and Lose With the Bisons

McGinley Wins Morning Game in Twelfth Inning—Kellogg Was Wild in Second—Bronchos Win Two.

BUFFALO, N. Y., May 31.—(Special.) Toronto and Buffalo indulged in a fine game this morning. The players were up bright and early and they were in good spirits, especially Pitchers McGinley and Taylor. They kept each side scoreless for 11 long innings, until finally those who were hungry or had something else on for the afternoon, yelled for action. They got it, but not from the desired end. When the 11th arrived the Maple Leafs placed much confidence in Mitchell for a good start, as he had hit safely three times previously, but Mitchell was not the man to start Toronto on the road to victory, going out from Taylor to Clancy. Kelly started around the circuit and soon the base lines were flooded with Maple Leafs homeward bound. After Kelly's single, Mullen stepped to the plate and jabbed the ball on a hard spot for a triple, and the game was won there. Kelly scoring from first. Prick was equally successful in planting the sphere out in the lot for three bases and Mullen brought home runner number two. McGinley helped himself to a small slice, a single, and in trotted Prick. Good's hit retired McGinley at second, and a minute later Good went out at the same station, trying to steal second. McGinley's pitching was superb all the way.

Buffalo won the afternoon game, but by the narrow squeak of 4 to 3. Had not Kellogg been so unusually wild in the 11th, but fair to say that Toronto would have been the winner again. Kellogg handed out passes to at least seven Bisons, and this generosity proved the team's undoing, for the Maple Leafs could not hit Malarkey sufficiently strong to overcome the handicap. Umpire Stafford was rather hard on Toronto, and for telling him so Manager Kelley was ordered from the grounds. Rube Grimeshaw was the recipient of a beautiful bunch of flowers from his local admirers, and then he fanned, as is the usual custom. The attendance in the afternoon was a big one, considering that there was a circuit of three blocks away, and that the lake and river excursions made a start to-day. Scores:
