In the Sporting World.

AMHERST MAY YET PLAY FOR THE STANLEY CUP.

Rothsay vs. U. N. B. Tonight--Commercial Men Curl--McGovern Wants a Fight--Miscellaneous Sporting News from All Over the World.

HOCKEY.

Amherst May Play Yet.

Ottawa, March 2.—There is yet a chance of the Amherst Ramblers playing for the Stanley Cup, but whether they play in Ottawa or Rat Portage will depend on the result of next week's series of games here between the two last named teams and the winners' inclination.

In reply to a letter of A. H. Lamy, of the Amherst Ramblers, the trustees wrote that the first challenge was declined for two reasons. First, because they did not sufficiently establish themselves as fit for senior company, and second, because there was a likelihood of the Stanley cup games proving too numerous.

Now that there is nothing else in sight but the Rat Portage challenge the trustees sitting forth their earnest efforts to meet western seniors, all of which failed through no fault of the Ramblers.

A. H. Lamy, secretary of the Ramblers' Club, sent a long letter to the trustees setting forth their earnest efforts to meet western seniors, all of which failed through no fault of the Ramblers.

Rockwoods Defeat Y. M. C. A. The Rockwoods defeated a team from the Y. M. C. A. in a hockey match at the Victoria rink last night, by a score of 4 to 2. Jack Sears was referee.

Stanley Cup Match. Winnipeg, Man., Mar. 1.—The date suggested for the first Stanley Cup game by the Ottawas is satisfactory to the Thistles, and will be accepted by the Rat Portage Club. President Joe Johnson, of the Thistles, has received a letter naming March 8, from A. H. Lamy, and he has expressed himself as pleased with it.

The Thistles asked for March 7 in their wire last week, but March 8 is just as suitable. Before replying, however, Mr. Johnson will await an answer to his own letter. The Thistles intend to leave for Ottawa on Thursday.

Tonight's Games. The Rothsay College hockey team will play the U. N. B. Victoria this evening in Queen's rink. The Rothsay intermediate is also scheduled for a game with a local team.

Truro, 14; Westville, 1. Truro, N. S., March 3.—The Westville Hockey team suffered a defeat of 14 to 1 here last night. The Westville team is champion of Pictou and Antigonish contests and this is the first game they have lost this season.

M. H. Co. vs. Int. H. Co. The office employees of the Massey Harris Co., Ltd. have been challenged by the International Harvester Co., to play a game of hockey on the Victoria rink tomorrow night. It is expected that the ice will be plowed up and many harrowing tales will be told of men being mowed down. Both teams will start out with a determination to give the other a severe thrashing.

BASKETBALL. Game Postponed. The game of basketball, which was to have been played yesterday afternoon in Trinity church school room, between the Mission church team, and the Trinity boys has been postponed until next Thursday afternoon.

Y. M. C. A. vs. Fredericton. Tomorrow afternoon, in the Y. M. C. A. gymnasium, a basketball team from the Fredericton High School, will try conclusions with the Y. M. C. A. intermediate team. The game will commence at 3.30 o'clock. The Mission Church Juniors and the Y. M. C. A. Juniors will also play a game tomorrow afternoon.

BOWLING. Game Tomorrow Night. There will be a match game on Richey's Alley, Saturday night, between the following teams: Capt. A. King, H. O'Brien, A. Harding, J. S. Frost, C. Cowling, Capt. W. Woodley, J. Johnston, G. Smith, W. E. Dummer, W. S. Archibald.

The games will be started at 8 o'clock sharp. Next week the first games in the series for team prizes donated by S. J. Richey, will be started. The first will be Wednesday night, and games will follow as often as possible.

CURLING. Travellers' Play. A curling match between the grocery commercial travellers of this city took place last night at the St. Andrew's rink. The rink was skippered by A. Patterson and A. S. Bowman. Tip to the tenth end the former failed to score while the latter made nine-point points. It was a roaring game in earnest, Charlie of the South wharf could be heard down at his headquarters, but before the end of the game his voice became faint.

While the last for Patterson rink was not "backward" in his play for he went to the tee every time. The

Bowman rink outplayed their opponents from start to finish. The following is the score of each rink: W. A. Lockhart, H. Barnes, Simeon Jones, William Jones, O. S. Robertson, T. M. Hay, A. S. Bowman, skip, 3 skip 21.

tee shots. Albert Hay, defeated Dr. G. U. Hay, at the St. Andrew's rink, yesterday afternoon, in a well-contested game by a score of 11 to 13.

Never saw the likes of it. Patterson and Robertson as mates should have curled better. Bowman and Hay was a good combination, they played a great game.

Nine or ten end without a score is almost a record. The two Willies played alright and so did Sim.

ATHLETIC. At the Y. M. C. A. The junior athletic contests were continued in the Y. M. C. A. gymnasium yesterday afternoon, and the athletes representing the "Reds" took a slight drop in their lead. In the ball hurdle the Blues won first place, the yellows second and the reds third. In the 100 yards run, Melrose made the best time, 16 seconds. The present standing of the teams is: Reds, 2; Yellows, 2; Blues, 2, 103.

WRESTLING. Parr Wins from Pons. Utica, N. Y., March 2.—Jim Parr of Buffalo, defeated Karl Pons of Montreal, in a wrestling match at the state armory, tonight. Parr won the first fall in ten minutes, thirty seconds, and the third fall in 16 minutes, 30 seconds, the style of both falls being catch-as-catch-can. Pons scored the second fall, graciously in 15 minutes.

THE RING. McGovern Wants Fight. Syracuse, N. Y., March 1.—Terry McGovern, who is here, issued a direct challenge to Jimmy Britt at "Young Corbett" or "Battling" Nelson for a fight at 130 pounds ring side or 126 pounds at 3 p. m. He offers to post a forfeit of \$5,000 to bind any match which may be made.

After the Battle. The contest at San Francisco Tuesday night resulted as the wise followers of the fight game expected. It is well enough known that Young Corbett has travelled the pace that kills, and those who expected that six weeks even, the hardest sort of training would bring him back into anything like his old-time form were expecting a miracle. No amount of conditioning will restore the vitality that excesses have sapped. Corbett is not the first great fighter who has learned that lesson to his cost.

It has been said time and time again that ring history shows no case where a prominent fighter who has once been decisively defeated has been able to reverse the verdict in a return match.

Battling Nelson is without question one of the greatest little fighters the world has ever seen. Tuesday night's battle has made him hosta of friends.

The Sore Throat or Ticking Cough that, to the careless, seems but a temporary and trivial annoyance, may develop into Bronchitis. Every hour delayed in curing a cold is dangerous.

Dr. Wood's Norway Pine Syrup, contains all the lung-healing virtues of the pine tree, and is a sure cure for Coughs, Colds, and all throat and lung troubles. Miss Bertha E. Craig, Almont, Ont., says: "Last fall, for over two months, I had a very bad cold, and although I tried several remedies, it seemed as if I was getting worse instead of better. While looking over the Burdock Blood Bitters Almanac, I read about Dr. Wood's Norway Pine Syrup, and decided to give it a trial. When I had used about half a bottle, I found it was doing me good, so kept on until I had taken two bottles. It is the best cure for a cold I ever heard of."

Price 25 cents per Bottle. THE J. MILBURN CO., LIMITED, TORONTO, ONT.

The Australian, Tom Burrows, club-swinging, started in a London music hall on Wednesday at midnight to break his own record for continuous club swinging of 43 hours and 6 minutes, which he established in Montreal. This he accomplished on Friday night, after 45 hours 8 minutes. The regulations demanded that the minimum number of swings in a minute should be 90, but he actually averaged 150 a minute.

MAY EXPECT BIG THINGS.

Kuropatkin Cables That Important Events Are on the Tapis at the Front.

Furious Battle Still Raging Near Mukden--Both Sides Have Heavy Losses--Russians Driven Back.

St. Petersburg, March 3, 12.45 a. m.—In a long despatch from General Kuropatkin which was received here yesterday the commander-in-chief of the army in Manchuria gives details of the various attacks by the Japanese the last few days, and the Associated Press correspondent of Mukden in a despatch received at midnight, indicates a continuation of the artillery duel; but neither report throws any light upon the rumored intention of Gen. Kuropatkin to withdraw northwest, which has been the gossip of St. Petersburg for the last two days.

A private despatch received last night concludes with this significant sentence: "Within two weeks you can expect great events."

Mukden, Mar. 1.—Delayed in transmission—Today was marked by attacks along the whole front. The fighting in the centre is becoming serious. After an all night Japanese bombardment at Postville Hill and Novgorod Hill involving a literal rain of heavy projectiles, the Japanese infantry this morning advanced against the Russian lines from the hills and drove back the Japanese posts two miles. The advance was unexpected until the Japanese came within 200 yards of the main line of trenches when they were beaten off by the fire of machine guns and volleys of rifle fire. When they retired, the Japanese left many dead and wounded.

Sapey, Shanlandi, Chrebanat, Chandipa and other positions of the Russian centre were also subjected to a heavy bombardment by siege guns. February 28, accepted the challenge today and a vigorous artillery duel is in progress.

The Russians have abandoned the Shauke river bridge entirely, taking up their former positions. The losses on both sides have been heavy.

Chinese cavalry has been despatched northward in the direction of Kealana to intercept a barrier of the attack of the Japanese columns advancing from the Liao River Valley.

Mukden, March 2.—The thunder of cannon is heard from all positions. Postville and Novgorod Hills are held by the Japanese. The bombardment was resumed after the repulse of an infantry attack by Japanese. A heavy bombardment is in progress in the neighborhood of the Shauke bridge, apparently in preparation for an attack in that quarter.

London, March 3.—A despatch from Tokio to the Daily Telegraph states that the Japanese are endeavoring to force a decisive battle in Manchuria, but that it is feared General Kuropatkin will retreat, fighting rear-guard action.

The correspondent at Riga of the Daily Chronicle, says that Maxim Gorky and his wife have gone to Bldersinghof, a holiday resort, one hour by rail from Riga.

AN EXAMPLE FOR ST. JOHN. Chicago Citizens Work for Municipal Reform and Progress.

(Boston Transcript.) There is perhaps no city in the country where the internal forces, that is, the independent citizenship, are striving harder or more intelligently for municipal progress and betterment than Chicago. In some respects she is the pioneer in new ideas and experiments, and as such she possesses great value either by way of suggestion or warning to the other cities of the country. Her approaching municipal election will be rather unusual general interest. It will be conducted upon issues, or perhaps, more properly, upon phases of a single issue that has by no means exclusively local. They have been thought about and talked about in other large cities, but Chicago they are now brought to a point where it will be necessary for the people to definitely declare themselves.

Popular sentiment with respect to a policy that seems to people in this section somewhat radical, must now put itself on record. The Democrats have nominated Judge Edward F.

Grand Falls News. Blistering Blizzard Succeeds Warm Weather and Another Blockade is Expected.

Grand Falls, Feb. 27.—Alexander Miller of the White Mountains, New Hampshire, is visiting his uncle, Charles Currier of the Currier House.

John Day, who went to St. Stephen early in the winter to visit his daughter, and was taken ill, is now slowly recovering. Mrs. John Day is now also in St. Stephen nursing her husband, and will remain until he is in a condition to travel home.

The snow-shoe club held another of their semi-annual assemblies last Friday evening, and dancing was the amusement until 11 p. m., the closing hour. During the evening, an address was read and presented to Wm. Watson, the president of the club, who intends to remove to Boston in a few days.

Miss Molly Leonard went to Andover on Friday.

After several heavy, spring-like days, during which the snow was rapidly melting, and the general warm sunshine enjoyed everybody out of doors, the blizzard which set in this morning was quite a contrast. A blustering snow storm and the wind blowing in gusts of 40 miles an hour, are creating havoc. Insupportable drifts are again becoming visible every direction. This storm will assuredly blockade everything since it arrives as an inopportune time.

The grand ball in Harrison's Hall, next Friday evening under the auspices of the Snow-Shoe Club, will be the social event of the year. Elaborate costumes will be worn by the ladies, and full dress will be in order for the gentlemen.

C. O. Snowden, the Montreal Knight of the Order of the Eastern Star, is also in town, with pneumonia for several weeks. He has been sufficiently recovered in a few days to resume his duties on the "Willie" Tuck, the young lad stricken with pneumonia is recovering.

The express was over the hours late Saturday night. All this week for some unknown reason, the St. John mail has arrived here a day late. Saturday's mail from St. John has not yet reached here.
