ACCOMMODATION FOR AUTOMOBILES. Apply D. Boyan, 111 Charlotte street. 64538-8-24

(Hardware and Metal, August 18.) Price changes in hardware lines have again been quite numerous during the week and embrace such important lines as chains, bit stock drills, straight shank bits, wood boring brace drills, wheelbarrows, buck saw blades, grindstones, saw sets. A general advance has been recorded by one large stove manufacturer on all heating and cooking stoves and ranges and hot air furnaces. There is a possibility that the United States will place an embargo on pig-iron coming into Canada and it is asserted the manufacturers of the Dominion will be hard hit if such takes place. There are not sufficient furnaces in Canada to supply the demand, especially in iron of high silicon which cannot be had in this country. In order to make good castings it is said to be necessary to have high silicon. Canadian steel mills have been given instructions that they must devote all their energies toward the production of shell steel during the month of August and allow domestic merchant trade shipments to remain in abeyance.

The steel prices of iron and steel prices generally is very uncertain, due to the peculiar conditions that have arisen both in the United States and Canada. Leasing lines in which price changes in an upward direction have been made include cattle spray, floor extension thinblades, asbestos floor thinblades, wire, stretchers, wrought floor hooks, lard or sausage stuffers, carpet beaters, tin roofing caps, furniture casters, tubular rivets, paraffine wax, aluminum paint. Business has been seasonably good.

External Examination Only "The doctor would like to see you inside," said the attendant to the waiting patient. "No, sir!" emphatically answered the patient. "He can't try any of his X-ray business on me. I merely want to see him about a boil on my neck."

### WOLFE'S CAPS

MADE IN CANADA

### AT THE MOVIES

accidentally on Sunday by Sergeant Robert C. Allan of the United States Marines at Midland Park, S. I. Cleary was witnessing a race between men of the army and of the naval reserve. Allan was the starter and Cleary, who was standing ninety yards away, was hit in the forehead by a bullet from the marine's .45-calibre service revolver when Allan started a 100-yard dash. When Cleary dropped to the ground Allan ran to him, the revolver still in his hand.

Cleary was hurried to the Staten Island Hospital and died there last night. Cleary was a private first class, 207 class, and was in the first class of the 207 class in straight heat; best time 2:06.4. Butte Hall won the 212 class pace in straight heats; best time 2:07.4.

All events on the second day's card
