

year closed, and that we are privileged to begin new year under happier auspices.

We have to lament that we cannot speak positively of any known cause of conversion in the school, but we are confident of this, that on the part of many of the teachers the seed has been sown in faith and watered with tears, and the "harvest time" will surely come.

We would again seek the co-operation of parents in this great work of training the children for Jesus. Give us your sympathy and prayer; endeavor to secure regular attendance and the preparation of the lessons on the part of the children, and come and see us.
