Ye Olde Firme

The purchase of an inferior Piano is an expense. The purchase of a Heintzman Piano is an investment — an investment for a lifetime — an investment from which the returns are sure.

The Heintzman Piano — Grand or Upright—is the Piano for everyone. The great artists use it because they can obtain the finest effects from it. The beginner uses it because its wonderful tone is a musical education in itself.

The main feature of the Heintzman Piano is its permanency, both in tone and construction. It is built to give as entire satisfaction years hence as the day it was finished.
