Snow dried up, streets full of germ-laden dust, blown about everywhere, breathed in by everybody. Dust at its deadliest.

Pouring disease into the nose and throat, where it gets its easiest foothold. And the doctors will tell you there has been an awful lot of disease going about all winter, collected now in street dust.

This next fortnight the wise thing to do is to spray the nose and throat night and morning with a simple antiseptic as recommended here. Then you'll keep your health.

De Villiers Atomizers—guaranteed—95c. up-ward. It is possible to get even a combination with one bottle for the antiseptic and the other for the head cold treatment. Extra Bulbs, 50c.

## MORE PRIZES THIS YEAR FOR SCHOOLBOY MEET

Silver Cup For School That Scores Most Points

CONTESTS FOR LADS ON LOYALIST DAY

Buttons For Individual Winners—Competition On Y. M. C. A. Grounds

Interest is already awakening in the annual Loyalist Day athletic meet to be held on the Y. M. C. A. track and field, Hazen avenue a fortnight from today. The meet was such a success and brought out so much youthful talent that the forthcoming program is being run on a promise of great rivalry, according to Clarence McCully, secretary of boys' work in the "Y", and who will be one of the officials.

### PRESENT CHAMPIONS

The present holders of the schoolboy championship are St. Vincent's, Cliff street, which building possesses the first and second division awards entitling that school to fly the red and blue pennants donated by the Imperial theatre, and the third division was won by the new Albert school, West Saint John, flying the white pennant. This year a handsome silver cup is to be awarded the school scoring the highest in points in all three classes. There will be silver and bronze buttons for the individual winners. Following is the general plan for Loyalist Day.

### CLASSES AND EVENTS

Class 1—All boys 12 years of age and boys 13 years up to 90 lbs.  
Class 2—All boys 18 years over 90 lbs. and boys 14 and 15 up to 110 lbs.  
Class 3—All boys 14 and 15 over 110 lbs., and boys 16 years any weight.  
The events for the different classes will be as follows:  
Class 1—75 yd. dash; 220 yd. run, running broad jump, 800 yd. (4 laps) relay race.  
Class 2—100 yd. dash, 440 yd. run, running broad jump, 800 yd. (4 laps) relay race.  
Class 3—100 yd. dash, 880 yd. run, running broad jump, one mile relay.

### THE AWARDS

Button awards will be presented, for first, second and third places in the events and silver buttons to each member of the winning relay team in each class. The school scoring the largest number of points in each class will receive a shield.  
In addition to these awards, the Y. M. C. A. have donated a cup to be competed for annually, known as the championship cup and will be awarded to the school scoring the largest number of points in all three classes.

### REPRESENTATION

Only three boys from each school will be permitted to enter in each event, except the relay race. The relay race will be composed of four boys. Each school may enter one relay team in each class.  
Boys will be permitted to compete in one class only.  
The dates for official weighing in will be May 12 and 13 at Y. M. C. A. Those in charge say the efforts of the last three years have demonstrated the need and latent possibilities of school boy athletics, and solicit co-operation in encouraging boys to participate.

A letter embodying this information has been mailed to each intermediate school principal in the city so that all will be fully advised.

## WILL REGULATE TAXI SERVICE IN LANCASTER

Highway Board To Consult Atty.-Gen.—Conference Before Framing By-Law

The Highway Board has in mind particularly conditions on the Sand Cove Road during the summer months, when a number of taxis are plying for hire. ### The meeting was presided over by
