IF I HAD AN AUTO

If I had an auto I know what I'd do: Just once in a while I'd give up a mile. Or maybe ten miles, or a dozen or two. With a healthy and prosperous friend by my side. And I send my machine— To some spots I have seen— A hospital, maybe, a temperent mean. Where the sunshine of June has hard work getting in; And I'd see that the people who went for a spin. Were sorrowful-eyed, And needed that ride; Were the folk who had worried and fretted and sighed And needed a change from the grind and the work, And the grime and the heat and the anguish and ire. Of illness and sorrow. I'd take them away For an out-of-doors play Where Nature is gay. For an hour or maybe the whole of a day. I'd take wee white babies that droop in the heat. And their weary-eyed mothers, where living is sweet, Where water is dancing, where skies are sun-bright. Where all of the summer-time world is alight. With beauty and love; Where there's nothing above. But leaf-play and cloud 'stead of smoke's murky gloom. And the ceiling, soot-stained, of a tenement-room. I'd take some old people who maybe, were "cross And whining and ill, with the pitiful loss Of youth and of strength; Who saw the gray length Of the shadow come stealing—I'd take those old men And women and conjure them young once again.

DOCTORS INDORSE NEWBRO'S HERPICIDE FOR THE HAIR

When a doctor endorses a preparation it means more than an ordinary testimonial. His opinion is always that of the professional man devoted to the welfare of the people. Dr. J. J. Hoyt, Covington, Tenn., says "I feel it my duty to write this for the benefit of those suffering from dandruff." In the average case a few applications of Newbro's Herpicide will remove all dandruff. It is advisable to continue its use for several weeks. The words of J. B. Thompson, M. D., No. 2 Burroughs Place, Cor. Hollis street, Boston, Mass., are not less enthusiastic: "I can only speak in praise of Newbro's Herpicide. It is all that is claimed and perhaps more. Herpicide not only cleanses the scalp but brightens the hair, gives it life and makes it soft." Dr. T. A. Moore, Duncan, Ariz., writes of his experience: "My scalp was in places covered by patches of dry, scaly material and the itching was incessant. Since using Herpicide all these evils have disappeared and my hair is soft, smooth and growing. Hair has grown on spots before but thinly covered." Newbro's Herpicide is "the original remedy to kill the dandruff germ" and stop falling hair. The terrible itching which goes with dandruff is allayed almost at once. Newbro's Herpicide in 50c. and \$1.00 sizes is sold by all dealers who guarantee it to do all that is claimed. If you are not satisfied your money will be refunded. Applications may be obtained at the leading barber shops. Be sure you get genuine Herpicide. Send 10c. in postage for sample and book to The Herpicide Co., Dept. R., Detroit, Mich. E. PERSONAL AND SOCIAL NEWS OF THE WEEK IN ST. JOHN

It was unfortunate that the weather man should have chosen the holiday to water the farmers' crops—if so much in need of rain—as almost any other day in the week would have answered just as well. Certainly the weather was planned, the town folks would have been spared much disappointment. Probable notice of the weather was given, as he relented at noon and permitted the sun to shine for the rest of the day. However, the damage he had caused, as the heavy rains had made the roads for automobiles, and as now-a-days everyone goes everywhere by these conveyances, a great many people were debarrred from anticipated outings. Especially was this noticeable at places where the military were in camp, as several automobile parties had intended going to the pretty little town to participate in the military celebration of Dominion day. A number of young city people regretted that they were unable to be in Sussex for the Jungalo day dance. Among those who spent the week-end in Sussex were: His Worship Mayor Frink, Mrs. Frink, Miss Beatrice Frink, Mrs. Hugh McLean, Miss Elsie McLean, Mr. Hugh McLean, Jr., Mr. and Mrs. Royden Thomson, Mrs. Helen Thomson, and Col. Wedderburn.
