**THE GREAT CAUSE OF HUMAN MISERY.**

We have recently published a new edition of DR. CULVERWELL'S CELEBRATED ESSAY of the radical and permanent cure (without medicine) of Nervous Debility, Mental and Physical Incapacity, impediments to Marriage, etc. resulting from excesses.

It is in a sealed envelope, only 6 cents, or two postage stamps.

The celebrated author in this admirable Essay clearly demonstrates, from thirty years successful practice, that alarming consequences may be rad- ically cured, without the dangerous use of inter- cal medicine, or the application of the knife; pointing out a mode of cure at once simple, cer- tain and effectual, by means of which every suf- ferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This Lecture should be in the hands of every youth and man in the land.

**Parks' Cotton Yarns!**

Awarded the Only Medal Given at the Centennial Exhibition

For Cotton Yarns of a Canadian Manufacture.

No. 5's to 10's.

**WHITE, BLUE, RED, ORANGE AND GREEN.**

Made of Good American Cotton with great care

Correctly numbered and Warranted Full Length and Weight.

**WE** would ask the purchasers of Cotton Yarn to remember that our Yarn is spun on Thor- ntle Frames, which make a stronger yarn than the King Frames, used in making American yarn.

It is also better treated and more carefully reeled; each hank being tied up in 7 leas of 120 yards each. This makes it much more easy to wind than when it is put up without leas—as the American is—and also saves a great deal of waste.

Those acquainted with weaving will understand the great advantage it is to them to use yarn put up in this manner.

**COTTON CARPET WARP,**

Made of No. 10 Yarn, 4-Ply Twisted.

**WHITE, RED BROWN, SLATE, &c.**

All fast colors.

Each 5 lb bundle contains 10,000 yards in length and will make a length of Carpet in pro- portion to the number of ends in width.

We have put more twist into this warp than it formerly had, and it will now make a more dur- able Carpet than can be made with any other ma- terial. Since its introduction by us a few years ago, it has come into very general use throughout the country.

All our goods have our name and address upon them. None others are genuine.
