GUELPH RAILWAY MEN WANT BOARD.

Guelph Municipal Railway employes have made application for a Board of Conciliation to arbitrate their wage demands. These men are seeking a new scale of 47c per hour, as against their present wage of 32c. Recently when the Guelph men formed a union, affiliated with the international organization, they were receiving 25c per hour but the company gave them a 5-cent increase.

INTERNATIONALS GET SUPPORT

Believe in Sanctity of Agreement.

"I tell you that the Government is backing the international unions who believe in the sanctity of an agreement. You will find coal in Alberta this winter if you will back the United Mine Workers of America with their membership of 500,000 in Canada and the United States. The Canadian Government is satisfied with the way in which they conduct their business on a sound basis, and the way in which they carry out the promises they make. They have promised to build up the coal industry in Alberta again, and they will do their best to do it."

INTERNATIONALS GET SUPPORT

Senator Robertson announced that he had attended a conference during the morning of representatives of the International Mine Workers Union and of the Alberta operators. "The coal miners of Alberta go on strike because they want 11 hours pay for eight hours' work for a score or so of their number? No! It is because they want the same in the world, and which were particularly active among the miners, in which the doctrine is preached of the destruction of industry, the confiscation of property and the overthrow of government."

INTERNATIONALS GET SUPPORT

He attributed the spirit of brotherhood between the United States and Canada in a large measure to the international labor unions and brotherhoods and to their unifying influence.

INTERNATIONALS GET SUPPORT

Supporters of the latter idea declare that the recent extensive growth of the international is raising an insuperable bar to the advancement of the industrial process by the extremists. This province has seen recently the growth of both these bodies.

INTERNATIONALS GET SUPPORT

"Some representatives of workmen will say, and are saying, that the workingman has no representation in the legislative process, and so on. Yet, on thirteen various boards and commissions named by the Dominion Government there were seven labor representatives named, in nearly every case by labor bodies.

INTERNATIONALS GET SUPPORT

The Dominion Government has 23 employment bureaus established, which have placed 100,000 working men and women up to July 1, 1919, and are now placing them at the rate of 1,000 per day.

INTERNATIONALS GET SUPPORT

"An official of the company stated that every man employed at the plant would be provided with work during the lay-off or until the company received further orders. Most of these men will be given employment at the plant mill now being resumed to completion while others will be used in the repair work."

INTERNATIONALS GET SUPPORT

A special convention of the Commercial Telegraphers' Union of America will convene in Chicago August 25, and will replace the regular convention scheduled for next Monday in October.

INTERNATIONALS GET SUPPORT

INTERNATIONALS GET SUPPORT

International unions scored a victory over the O.B.U. in the Supreme Court chamber, Vancouver, on Tuesday, when J. A. Elder, counsel for the One Big Union team, failed to obtain the use of the international union's office furniture, minute books, etc., pending trial of an action in which the ownership of the same and a bank account is to be determined.
