**BUY ELECTRICITY OF YOURSELF!**

You are part-owner in "an up-to-date, efficient electric plant.  
This plant of yours has been the means of keeping electric and  
lighting rates down. It needs the patronage of all the stockholders  
to keep rates at their present level or help them to get lower.

Are you a Hydro user? If not—why not?  
Phone or call for information.

Use Hydro Service
