ALBERT CO.

Hopewell Hill, Albert Co., Sept. 8.—The Foresters' major concert, under the auspices of Court Sheedy, I. O. F., Albert, came off last evening, and was one of the most excellent and in every way successful entertainments ever given in this county. Excursion trains from Hillsboro and Adams brought large numbers, and Outton hall, in which the concert was held, was packed to the doors, the vestibule and aisles being filled with scores who were unable to get seats. The interior of the hall was beautifully decorated, the stage being especially attractive with tastefully arranged paintings and banners, and a profusion of choice flowers. On the platform were His Honor Lt. Governor McClellan, chairman; James S. Atkinson, Rev. Chas. Comben, Fred W. Emmerson, high secretary of the Foresters, and W. A. Trueman. A very pleasant and interesting opening of the concert, was the presentation by little Miss Clara Moore, of a handsome bouquet tied with white silk ribbon, to his honor the governor, the courtesy being accepted by the latter in a very graceful manner. The program consisted of an opening address by the chairman, quartets, The Vale where My Home Lies; violin solo, Traum der Seemann, Lament, Solo, and others by Myrtle I. Harrison of St. John; readings by Miss Addie Jump, the talented young elocutionist of Hillsboro, and songs by Thomas Murray, the well known Scotch singer, and Mrs. M. Harrison played beautifully. The Last Rose of Summer, and several Scotch airs, closing with Nearer My God to Thee, without accompaniment. Mr. Murray's songs, Scott's Whist, Honeymoon, Gray Cam' here to Woo, and When the Kye Comes Home, were received with loud applause, and he was compelled to respond to several encores. Miss Jump, at the close of her song, was the recipient of a handsome bouquet. Short addresses, in which the speakers complimented Court Sheedy very highly on their rapid progress, were made by Rev. Mr. Comben, Judge Emmerson, and others. Miss Mary Comben, a graduate of Mount Allison conservatory of music, was the accompanist of the evening, and performed her duties most efficiently. Everything in connection with the entertainment was satisfactorily carried out, and the management are to be congratulated on the success that has attended their labors.

A person calling himself Dr. Forner and accompanied by a pretended sister, who gave her name as Mrs. Harrison, while doing the "colossal" recently, purchased a horse from Fred Carvell and a carriage from Edgecombe & Sons, for the purpose, they said, of driving to Nova Scotia, combining pleasure with business. They drove a few miles out of town and put up with a family here, who were innocent enough to take them at their word, as they were most musical and interesting people, but it has since transpired that the wardrobe of the genial hostess and her aid was depleted on that occasion, including a dress and some cash, which in all would amount to ten or twelve dollars. The happy pair were far away on the road before they was found out. Arthur Harrison is here from Chi-

A Clinching Statement. A Cure That Was Permanent.

The Medicine Used Was Paine's Celery Compound.

Day after day home and foreign cures are heralded as the result of using this or that medicine. It is safe to assert that many of the published letters are bogus, and others will hardly bear the light of investigation. The cures effected by Paine's Celery Compound, and noted in the press of the country, have all the ring of genuineness and honesty about them, and the original letters can be seen at any time by an interested public.

It has also been proven in numerous instances that the cures made by Paine's Celery Compound are permanent. Another letter has just been received, this time from Mr. P. J. Kilbride, postmaster, Inverness, P. E. I., testifying to
