### THOSE SWELL OVERCOATS, MEN TELL US.

"Why, I didn't know you sold such swell coats." We do sell some pretty smart coats: the makers have more style than all the other manufactur-ers together. Loose back, across or up-and-down pookests. These overcoats fit and look just like custom-made-better than most, and the way the shoulders are made they hold their shapp better and set well. And the snug fitting collar! The fit of a coat is in the neck and shoulders after all.

#### Prices, \$10 to \$20

A fine quality Scotch Tweed Over-coat, straps on back and cuffs-very smart.
