Miss McCallum retired matron of Fredericton Hos. is making an extended visit with friends in Fredericton. U. held a social evening for her presenting her with a handsome bound bible and an address, expressing the love and esteem of the people of Fredericton. The old fashioned way of dosing a weak stomach, or stimulating the Heart or Kidneys is all wrong. Dr. Shoop first pointed out this error. This is why his prescription—Dr. Shoop's Restorative—is directed entirely to the cause of these ailments—the weak insule or controlling nerves. It isn't so difficult, says Dr. Shoop, to strengthen a weak Stomach, Heart, or Kidneys if one goes at it correctly. Each insule organ has its controlling or insule nerve. When these nerves fail, then those organs must surely falter. These vital truths are leading druggists everywhere to dispense and recommend Dr. Shoop's Restorative. Test it a few days, and see! Improvement will promptly and surely follow. Sold by All Dealers.
