INTER SOCIETY LEAGUE DRAWS UP SCHEDULE

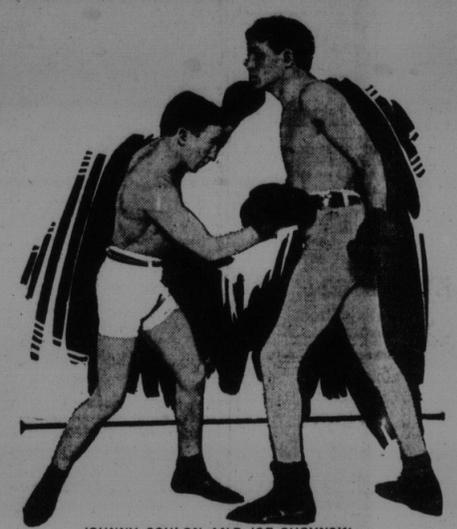

Final Formation Sees Home as Last Year in the Running --Current Raises On May 16th.

A meeting of the executive of the Intersociety League was held in the office of the president, Mr. J. A. Barry, on Saturday evening when final arrangements for the carrying out of the league was completed and the schedule of games announced. The four teams which competed last year will again make up the league. All four teams will take the field considerably strengthened, and the usual snappy games can be looked for. All games will be played upon the Shamrock grounds. The curtain will be raised upon the opening game on Monday evening, May 16, when the old rivals St. Peter's and St. Joseph's will clash. Evening games will be pulled off on Mondays, Tuesdays, Thursdays and Saturdays. A double header will be the bill for May 24th, with a game both in the morning and afternoon. Following is a complete schedule of the league...

SEVERE TEST OVER LONG ROUTE FOR JEFF

Ben Lomond, Cal., April 30.—Jim Jeffries returned to hard work today. In the gymnasium he was busy for two hours. He increased the amount of boxing going six rounds instead of his usual four. He took Berger for two rounds, and then boxed Armstrong for the remaining four. Berger, after receiving a crushing blow on the neck, declared that he no longer entertains any doubt that his charge still has a good punch. The boxing was followed with a session at the punching bag and Jeffries wound up his work with a handball game against Billy Papke and Joe Choyanski.

(By Tip Wright.) The most satisfying news to the men who follow the fighting game in many days has been the announcement that Joe Choyanski will take charge of Jim Jeffries, to prepare him for the fight with Jack Johnson. Sam Berger, manager of the big fight, may be all right as a trainer for a man getting ready for a four round bout, but no one had any faith in Sam when it came to preparing Jeffries for a fight such as the battle of Emeryville promises to be. But Choyanski! That's different. Every man in touch with the fighting game knows the blind phenom, and his ability to point Jeffries for the big show is admitted right and left. Men who have been slow in expressing their opinion of the fight, who intended to take Jeffries for a fast but he can, and this means that in the seclusion of the gymnasium at Rowardennan, Jeffries will travel the long route more than once before July 4.

JOHNNY COULON AND JOE CHOYANSKI.

It means that Jeffries has decided that only a stiff grueling will convince him that he can land those crushing old-time hooks and jabs that won him the championship, that his eyes and hands will work with automatic precision and that his judgment of distance is as infallible as ever. With big Bob Armstrong and Sam Langford in camp now, and Corbett later on, Choyanski plans several long-range affairs with Jeffries, who will be the details of actual combat observed. These won't be six-round exhibitions, but real fights, intended to make Jeffries extend himself and take punishment. Choyanski still packs that terrific wallop which made him the most feared of fighters. It was a terrific jolt from Choyanski's mitt that Jeffries declared was the hardest he ever received. The blow drove Jeff's lip between his teeth and necessitated the use of a lance. It was Choyanski's left hook to the head that put Johnson down for the count in Galveston. And this same blow will be used on Jim Jeffries by Choyanski, when they put up their hands at Rowardennan. Choyanski will introduce his own views into Jeff's daily life. He will take hand ball. "It's great for the legs and for foot work, but it binds the shoulder muscles," Choyanski told me, "and a big, heavily-muscled man like Jim becomes bound far quicker than a man built on slender lines, like myself."

Choyanski is strong for the medicine ball as an all-around conditioner, and is a firm believer in open air work. "Don't worry about Jeffries' wind," he said, with a smile. "When the day of the fight comes around his wind will be as sound as anyone can ask for. Life in the mountains, road and gymnasium work will get him as heavily as perfect as it is possible for a human being to be. "The selection for sparring partners for Jeffries has been ideal. He will have every variety of boxing to go up against, and his partners will be men who can take as well as give a wallop and at the same time go along at high speed. "I am glad to have this opportunity to help Jeffries shape up for the fight. He is the greatest champion we have ever had and is such a marvel physically that I have no doubt he will come back and be as good as ever he was."

PENN MAKES CLEAN SWEEP

Home College Won Important Events at Intercollegiate Meet at Philadelphia--Romsdell the Star.

Philadelphia, April 30.—Pennysylvania made a clean sweep of the national relay championships on Franklinfield today winning in fine style the one, two and four mile relays, the classic events in relay racing of the college year. The two and four mile races were won in easy fashion, but the one mile race was a struggle from start to finish among 36 of the fastest quarter milers in the eastern half of the United States. In many of the events of the day's programme it was the east against the west and although many cases the west came strong the east took practically all the events. The exceptions were the one mile national relay race for freshmen which was won by Illinois university, and the broad jump, which was captured by Wasson, of Notre Dame. The star performer of the meet was Ramsdell, Pennsylvania's sprinter, formerly of Texas university. He won his two heats and the final in the 100 yard dash against some of the best short distance men now on the cinder path, and ran the last relay in the mile national relay championship. His time in the dash was 1:10.2, which was flat, and for the quarter mile in the one mile relay race, 49 seconds. Penna's victory in the two mile championship was largely due to the running of Church, Cornell lead until the last relay. The four mile relay race did not furnish the sport that was expected. Penna was looked upon as the winner but it was expected that Michigan and Cornell would make her hustle. Pennsylvania's milers held the lead, however, throughout the race. Paul, the mile champion, began the last mile, Missouri and Notre Dame did not start in this race. The field sports while exceptionally good, showed no remarkable performances. More than 20,000 persons saw the sports, and it was declared by officials that it was one of the largest, if not the largest that ever saw a college athletic meet in the east. The weather was very warm.

A Tie Score. Williamstown, April 29.—With a tie score 63 to 63, the annual spring intercollegiate athletic meet between Williams and Wesleyan ended today after some of the most exciting competition ever seen here. Wesleyan won 5 firsts, 5 seconds and 7 thirds. Williams won 6 firsts, 9 seconds and seven thirds. In the quarter mile run, Lester, of Williamstown, clipped 23.4 seconds off the college record of 51.35, doing the dash in 49.25 seconds. Phillips-Exeter Won. Exeter, N. H., April 30.—The track and field freshmen of Harvard were overwhelmed by the Phillips-Exeter boys in a dual meet here today, by the score of 82 points to 25. Harvard's boys were broken, although Withington, Exeter, equalled the school record made in the broad jump in 1899—22 feet, 2 inches. Moran Faces Charge of Manslaughter. San Francisco, April 30.—Owen Moran the English lightweight pugilist, was formally charged with manslaughter today as a result of the death of Tommy McCarthy, his opponent in last night's prize fight. Five other men, seconds and attendants of the two pugilists were booked on the same charge. When the principals and seconds later were arranged by police Judge Coulton, Willie and Johnny McCarthy, brothers of the dead fighter were released on their own recognizance while the others were held on \$500 bond each, or \$100 cash bail. In his cell today Moran mourned the death of his opponent. "Poor, poor boy," he said weeping. "It was an accident, but oh, such a terrible one." The Englishman declared the fight was a frameup, the agreement being that McCarthy was to be allowed to stay through 15 rounds. He was knocked out in the 16th badly hurt and died a few hours later. "How long would it take an ambitious young man to make \$1,000,000 in a year?" "Well," said the doctor modestly, "I don't know whether every young fellow going down there would have the same luck that I have had. But there is a good chance. An American down there is hard to find in any direction and he is bound to make money. There has never been an English speaking person of ambition who has gone to Durango and not made money. "Why, the Mexicans simply hand it to you. Last year I invited a young fellow I knew to come down there. When he wanted to know what to do I suggested the dyeing and cleaning business and guaranteed the cost of his outfit. Well, sir, that fellow in the first twelve months cleaned up \$30,000 net, and there are scores of others who have done as well." Durango has a population of about 45,000. There is an American colony of about 500.

A GOOD SCHEME IS TO START THE YEAR RIGHT By Getting Your SHOW CARDS From W. O. STAPLES, CARD WRITER and WINDOW DECORATOR, 102 Prince William street. A WORD TO THOSE WHOSE PEN-LABOR IS GREATER THAN THEY CAN BEAR. Did you ever think what the sheer physical labor of penning all that literary work and correspondence meant to you? It crabs, cabins, and confines your mental efforts. With a man whose work is done the EMPIRE Typewriter way, the case is different. The easy mechanical operation of this Machine tempts him to write because it relieves him of the manual labor the old pen-way involved. Hundreds of Literatures, Journalists, Speakers, and Secretaries are now using the EMPIRE. Will you join their number? I offer you a Ten Days' Trial of the EMPIRE free of cost. Just drop me a line referring to this announcement, and it will be sent on by return.

HIGH SCHOOL ARE JUNIOR CHAMPIONS. The high school junior basketball quintette defeated the Exmouth juniors in the Y. M. C. A. Saturday evening and incidentally won the junior basketball championship of the city and province. The final score was 11 to 9. The game was fast throughout, both teams putting up a splendid fight. The high school bunch had things pretty much their own way in the first half however, and when the score rang for the final session the score stood high school, 8; Exmouths, 3. The losers took a wonderful brace however and started in to even matters up. Although they had much the better of the play during the remaining half they were unable to tie the score and the game ended with the count 11 to 9 against them. Mr. E. Wright refereed satisfactorily.

I.C.R. AND M'AVITYS IN TIE GAME

T. McAvity & Sons and I. C. R. bowling teams divided honors on Black's alleys Saturday night in the Commercial league series, each taking two points. The game was otherwise featureless. Nugent put on a tidy score for the trainmen, while Stephens also did good work. In the enthusiastic quartette both Harrison and O'Brien did good work. The figures were: I. C. R. Gillard ... 83 69 75 227-75 23 Nugent ... 84 91 109 283-94 13 Stevens ... 92 88 85 265-88 13 Doherty ... 83 102 76 261-87 Nickos ... 70 80 80 230-76 23

BRITISH POLO TEAM DELIGHTED WITH TRIP.

London, April 30.—Walter S. Buckmaster, the polo expert, in an interview today, expressed in enthusiastic terms of the British team's recent visit to the United States. "The American polo players gave us the best time in our lives," said Mr. Buckmaster. "We won most of our games, but this must not be taken as a criterion of what will happen in the cup contests which will be played under United States rules. These are to the advantage of the American team."

WITH AUTO SPEEDERS

Drastic Bill Excluding Automobiles from Parks and Boulevards in New York Probably Killed in Committee.

A drastic piece of automobile legislation will probably be killed at the Albany legislature. The bill was proposed by Assemblyman Lee and aimed to extend the powers of the park board of New York city so it could exclude automobiles from any of the parks, parkways, boulevards and avenues under its jurisdiction. The Long Island automobile club had been especially active in opposing this bill, and declared it was introduced in the interests of the horsemen of Brooklyn. Lee desired the exclusive use of a portion of the Coney Island boulevard. According to the private advice from Albany, Assemblyman Lee said there was strong opposition to the measure during the hearing before the assembly cities committee. Mr. Lee was quoted as saying he had not thoroughly understood the bill when he introduced it and that he did not intend to make any further efforts in its support. He said it probably would never get out of the committee. Owing to the fact that Assemblyman Lee has changed his attitude regarding the bill and because of the active opposition to it, it is not expected that the measure will be favorably considered in the upper house at Albany.

T. McAvity & Sons.

O'Brien ... 96 84 81 261-87 Howard ... 84 71 92 247-82 13 McGrath ... 79 76 77 232-77 13 Harrison ... 85 85 94 264-88 Footley ... 71 89 87 247-82 13

LOWELL GETS PITCHER.

Boston, Mass., April 30.—Announcement was made today of the sale of Melder Wolfgang, Boston national league club pitcher, to the Lowell team of the New England league. Boston holds an option on him, having the privilege of buying the player back before the post season games begin.

TWO DAYS WITH BIG STICKERS

Many Games With Additional Innings Afford Evidence That Major Leagues Are Getting Down to Work.

Boston, April 30.—Brooklyn Nationals won the final game of the series from Boston, 4 to 2 today, by bunching hits and taking advantage of the local's misplays in the ninth inning. H. S. Smith secured three of the visitors' four hits. The score: Brooklyn ... 200000000-4 4 0 Boston ... 101000009-2 5 4 Batteries:—Barger and Bergin; Burke and Curtis, and H. J. Smith. Time:—2:05. Umpires Rigler and Emshe. Pittsburgh, April 20.—Powell held the Chicagoes to 2 hits today and shut them out, 1 to 0. Only two Chicago men reached third base. Brown was freely hit, but fine support saved him. Flynn kept up his good work, leading Thursday, by batting in the only run of the game. Score: Pittsburgh ... 000100000-1 7 1 Chicago ... 000000000-0 2 6 Batteries:—Powell and Gibson; Brown and Needham. Time:—1:20. Umpires, Klem and Kane. Philadelphia, Pa., April 30.—New York made a clean sweep of the series with Philadelphia today, winning the third straight game, 9 to 4. Marquard held the Philadelphia to one scratch hit in seven innings. In the eighth inning two hits, with two bases on balls and a man hit by pitched ball, gave Philadelphia four runs. Marquard was put out of the game in the eighth inning for objecting to a decision and Crandall succeeded him. The score: New York ... 001020000-9 15 1 Philadelphia ... 000000040-4 4 3 Batteries:—Marquard, Crandall and Meyers, and Walker and Gray; Karner and Lewis. Time:—1:55. Umpires—Evans and Egan.

AMERICAN LEAGUE.

Washington, April 30.—Boston continued its hitting streak today, drove Walker to the bench and defeated Washington 5 to 3. Karner got a bad start in the first inning, allowing 3 hits and as many runs. He was a big puzzle after that, however. Three double plays by the visitors were the features. Washington ... 300000000-3 8 1 Boston ... 00201200-5 17 2 Batteries:—Walker and Gray; Karner and Lewis. Time:—1:55. Umpires—Evans and Egan. New York, N. Y., April 30.—A dropped third strike on Baker by Sweeney in the 7th inning, today, followed by two hits and an error by Knight, enabled the Athletics to make two runs and tie the New York. In the eleventh the visitors won, earning two runs on hits

DURANGO THE FAIR

Would Not Take Very Long to Make \$1,000,000 in Mexican Town According to Dr. McCusack.

If by any chance there is any ambitious young man in these parts who is making less than \$10,000 a year in the newspaper business, or in fact in any other line, he is simply wasting his time by staying in this country, according to Dr. A. B. McCusack, of Durango, Mexico, who is making an Eastern trip. Dr. McCusack is a man apparently under 30, with a smooth face and marked conversational powers. He was wearing a luxurious lounge suit turned out by one of Chicago's most fashionable tailors in the course of a short journey which the doctor made in that city on his way to New York. He had a low felt hat to match and was smoking a richly flavored cigar. The doctor, smoking, said: "I started out giving my own self a medical education at a college in Chicago, I looked over the field in that town and decided there was no room in it for a young physician who had no capital. I looked over the map until I came across the name of Durango. To get there I had practically to work my way. "I started out doing surgical work and was successful. Then I found that the situation was excellent for the treatment of tuberculosis. Durango being 5,700 feet above sea level, I wrote to friends in Chicago telling them of this and they sent me patients. Well, one time after another that I got into turned out well, and today I am what you might call prosperous. "How long would it take an ambitious young man to make \$1,000,000 in a year?" "Well," said the doctor modestly, "I don't know whether every young fellow going down there would have the same luck that I have had. But there is a good chance. An American down there is hard to find in any direction and he is bound to make money. There has never been an English speaking person of ambition who has gone to Durango and not made money. "Why, the Mexicans simply hand it to you. Last year I invited a young fellow I knew to come down there. When he wanted to know what to do I suggested the dyeing and cleaning business and guaranteed the cost of his outfit. Well, sir, that fellow in the first twelve months cleaned up \$30,000 net, and there are scores of others who have done as well." Durango has a population of about 45,000. There is an American colony of about 500.

MORAN FACES CHARGE OF MANSLAUGHTER

San Francisco, April 30.—Owen Moran the English lightweight pugilist, was formally charged with manslaughter today as a result of the death of Tommy McCarthy, his opponent in last night's prize fight. Five other men, seconds and attendants of the two pugilists were booked on the same charge. When the principals and seconds later were arranged by police Judge Coulton, Willie and Johnny McCarthy, brothers of the dead fighter were released on their own recognizance while the others were held on \$500 bond each, or \$100 cash bail. In his cell today Moran mourned the death of his opponent. "Poor, poor boy," he said weeping. "It was an accident, but oh, such a terrible one." The Englishman declared the fight was a frameup, the agreement being that McCarthy was to be allowed to stay through 15 rounds. He was knocked out in the 16th badly hurt and died a few hours later. "How long would it take an ambitious young man to make \$1,000,000 in a year?" "Well," said the doctor modestly, "I don't know whether every young fellow going down there would have the same luck that I have had. But there is a good chance. An American down there is hard to find in any direction and he is bound to make money. There has never been an English speaking person of ambition who has gone to Durango and not made money. "Why, the Mexicans simply hand it to you. Last year I invited a young fellow I knew to come down there. When he wanted to know what to do I suggested the dyeing and cleaning business and guaranteed the cost of his outfit. Well, sir, that fellow in the first twelve months cleaned up \$30,000 net, and there are scores of others who have done as well." Durango has a population of about 45,000. There is an American colony of about 500.

GUY FISHER WON AQUEDUCT BEFORE 10,000

Aqueduct, N. Y., April 30.—Before a crowd of 10,000 persons, Guy Fisher, admirably ridden by Taplin won the \$2,500 Exovetor handicap today. The class field at Aqueduct today. The Stable, Firestone and Fayette favorites in the betting at 4 to 5, finished second with Fayette landing in the place. Guy Fisher won by three fourths of a length. Fayette was about the same distance above Razez with the others beaten off.
