BANK MEN BADLY HURT IN AUTO ACCIDENT AT VICTORIA CORNER

Car Struck Telephone Pole, Driver Hurled Through Wind-Shield and Other Occupants Also Injured.

Special to The Standard. Hartland, N. B., Aug. 8.—An auto accident attended with serious results, and which narrowly resulted fatally, occurred on Saturday evening near Victoria Corner. As the matter stands now three members of the staff of the Bank of Montreal are on the sick list in the care of a trained nurse at the Exchange Hotel.

The party composed of J. W. Montgomery, owner of the car, John Wallace, acting manager of the Bank of Montreal, Eric Lane, cashier of the same institution and J. Shupe, junior clerk in the bank, were returning from Woodstock about 6.30 and when near Victoria Corner the car which was being driven by Mr. Wallace at the time became unmanageable and ran into a telephone pole. Mr. Wallace was catapulted through the wind shield and pretty badly injured. The other members of the party were bruised and cut up.

This morning Mr. Lane, unable to be removed last night, was brought over from the corner in Thornton's auto with Dr. Chapin in attendance; he was powerless to help himself and had to be carried to his room. Mr. Wallace is the most seriously injured, and while he will no doubt recover, he will probably be disfigured for life. His father is here from Woodstock today and has every hope for the son's recovery.

Mr. Shupe sustained a broken knee cap and other minor injuries.

Mr. Montgomery came out of the mixup with almost a whole skin. The car is almost a total wreck. An accountant from the Woodstock branch of the bank came up tonight to attend to the business until the others are able for duty.

The remains of G. E. Boyer, a former colonel of the 6th Battalion, arrived here yesterday from Fort Fairfield for burial. Rev. P. A. Fitzpatrick, late pastor of the Methodist church here, but now of the Wesley Memorial church in Moncton, conducted the funeral services.

St. David's Picnic. St. David's Sabbath school held its annual summer outing on Saturday at Crescent Beach, Grand Bay. The weather was fine all day and the outing was much enjoyed by all who attended. The usual races were run and in a tug-of-war, the married ladies won an easy victory over the single ladies. The return to the city was made about nine o'clock in the evening.

Gone To The Dardanelles. Lt.-Col. S. H. McKee, formerly of Fredericton and late of Montreal, is in command of No. 1 Canadian Stationary Hospital, which has gone to the Dardanelles. Colonel McKee went over to England and thence to France with the first Canadian division, having been an officer of the army medical corps and connected with No. 4 field ambulance corps of Montreal previous to the outbreak of war.

Had "Cholera Infantum."

WAS WASTED TO A SHADOW.

Cholera Infantum is one of the most common and most complicated of infants, and many die who could be saved if taken in hand on the first sign of the trouble. It begins with a profuse diarrhea, very often bloody, vomiting, and the matter ejected from the stomach has a bilious appearance. The child rapidly loses flesh and becomes weak and languid.

Mrs. W. Falls, 455 Jones Ave., Toronto, Ont., writes: "
