IMPORTANT NOTICE

Starting Monday morning, April 14th, all those entered in the contest, or those wishing to enter, will be furnished with FREE VOTE books if they call on the contest manager at the Allen Theatre. With one of the vote books you can easily secure thousands of votes in a day, and they are free to all those who wish to take an active part in the contest, so be sure and come in early Monday morning and get your coupon book so that you will get an even start with the others, for remember the time in which you have to collect votes is short, as the contest closes on May 3rd, 1919. The names, and the number of votes that have been cast for each, will be shown on the screen at the Allen Theatre each day. The soliciting of votes, in or around the theatre, will not be allowed, and any one violating this rule is subject to be withdrawn from the list. This restriction is made so that each individual contestant will have the same opportunity to win. Three of Kitchener's prominent citizens will have charge of the counting of the votes, and the awarding of the prizes.

Be sure to come in early Monday morning, and be one of the first to get one of the FREE VOTE books, and start saving the votes at once. Phone number in the contest Department at the Allen Theatre No. 387.

Allen Theatre Contest for Automobile and Diamond Rings Starts Out With a Rush

The Automobile and Diamond Ring voting which has just been announced by the management of the Allen Theatre, promises to be a very interesting one, and the interest manifested so early in the race is very pleasing to the management of the theatre. The prizes in the campaign are to be a 1919 Chevrolet Touring Car, which was purchased from S.E. Bowman, proprietor of the Chevrolet Service Garage, a \$100.00 and a \$50.00 Diamond Ring will be given as the second and third prizes. These Diamond Rings were purchased from Heller Bros. Jewelers and Opticians, and can be seen on display in the windows of their store. The Automobile is valued at \$900.00 and the Diamond Rings at \$100.00 and \$50.00 each making a total of \$1050.00 in prizes that will be awarded to the three contestants that have the most votes by May 3rd, 1919. This is without doubt the shortest contest of its kind, where prizes of such value are offered. Each detail of the contest has been worked out in such a way that each, and every one entered in the contest race will have the same opportunity to win the Automobile. Already a large number of names have been entered in to compete for the prizes, and no doubt, many more will be received today. The fact that the campaign only lasts about three weeks, which is a very short time for prizes of this value to be used, is an incentive for the contestants, and their friends, to get busy early in the race. A coupon which is good for five votes, is given with each and every paid admission at the

box office, and when the holder of this coupon writes the name of the contestant that they wish to vote for on the coupon and drop it in the ballot box, it will be added to their count, which will be shown at the Allen Theatre each day. No contestant will be permitted to complete as a representative of any club, church, labor or social organization, with the intent of turning the prize that they win over for the benefit of the organization. This restriction is made so that it will be fair for all, and so that each contestant will have the same opportunity to win. Be sure and get your votes every time you go to the theatre, and cast them for your favorite, or better yet enter the contest yourself, and fill out one of the nomination blanks and drop it in the ballot box at the theatre, and be sure and see the contest manager, and have the plan of the contest explained to you.

All contestants that wish to take an active part in the campaign will be furnished with a free vote book, if they call on the contest manager Monday morning. All of these prizes will positively be awarded to the three contestants that have the votes on the 3rd day of May, 1919, regardless of the number of votes that the contestants may have, to get in the race and get a good start and keep it up until the 3rd of May, and be the winner of the Automobile, or one of the Diamond Rings. On another page of this issue, you will find a complete list of those that have been nominated, with the number of votes that have been cast for each up to date. If your name is not included in the list be sure and nominate your self today.

With Fingers! Corns Lift Off

Doesn't hurt a bit to lift any corn or callus right off. Try it!

For a few cents you can get a small bottle of the magic drug freezeco recently discovered by a Cincinnati man.

Just ask at any drug store for a small bottle of freezeco. Apply a few drops upon, a tender, aching corn or callus and instantly all soreness disappears and shortly you will find the corn or callus so loose that you can lift it off with the fingers.

Just think! Not one bit of pain before applying freezeco or afterwards. It doesn't even irritate the surrounding skin.

Hard corns, soft corns or corns between the toes, also hardened calluses on bottom of foot, shrivel up and fall off without hurting a particle. It is almost magical.

Ladies! Keep a tiny bottle on the dresser and never let a corn or callus ache twice.

A laxative to-day, saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish, stomach sour.

Look at the tongue, mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs", then don't worry, because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "laxative" is oftentimes all that is necessary. It should be the first treatment given in any sickness.

Be sure of counterfeit Fig syrups. Ask your druggist for a bottle of "California Syrup of Figs" which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company". You feel fine in a few moments. Your cold in head or catarrh will be gone. Your clogged nostrils will open. The air passages of your head will clear and you can breathe freely. No more dizziness, headache, no yawning, sniffling, mucous discharges or dryness; no struggling for breath at night.

Tell your druggist you want a small bottle of Ely's Cream Balm. Apply a little of this fragrant, antiseptic cream in your nostrils, let it penetrate through every air passage of the head; soothe and heal the swollen, inflamed mucous membrane, and relief comes instantly. It is just what every cold and catarrh sufferer needs. Don't stay stuffed up and miserable.

This Car Warrants Its Price GRAY DORT

There are many reasons for the price of a motor car. The car may be built down to a selling price. The price may be forced up to a profit mark. There may be weight, size, speed, that you do not need.

But the Gray-Dort price is the lowest price at which a big, efficient organization can build a fine light car.

The Gray-Dort is built right first. It is built with real big car quality and comfort and appearance. It is built to give you all the service you need, free from trouble. Then by factory efficiency the price is kept low.

So when you buy a Gray-Dort you are putting every dollar into real motor car value. Ride in a Gray-Dort—then you will see just how great a car it is. It is built to give you all the service you need, free from trouble. Then by factory efficiency the price is kept low.

The touring car is \$1245; the Gray-Dort Special—the car with added refinements and extra equipment, is \$1335 extra; there are also a coupe, and a sedan. All prices f.o.b. Chatham and are subject to change without notice.

A SPRING TONIC GREATLY INCREASES YOUR EFFICIENCY

Lay the Foundation of Good Health Now by building Up Your Blood and Strengthening Your Nerves

The good old fashion of taking a tonic in the springtime, like most of the customs of our grandparents, is based upon sound common sense and good medical practice. No matter how mild the winter it is a trying time, even in the most favored climates, for those who are not in rugged physical health. Many men, women and children go through the winter on reserve strength they have stored up during the sunny, summer months, and grow increasingly pale as the spring days approach. A tonic for the blood and nerves at this time will do much for such people, by putting color in the cheeks and banishing that tired feeling that worries thousands at this season of the year.

You can not be energetic if your blood is thin and weak, or if your nerves are frayed or shattered. You cannot compete with others if you do not get refreshing sleep at night, or if you are losing weight. You need a tonic at this time to add to your efficiency now, as well as to save you from suffering later on. And in all the realm of medicine there is no safer or better tonic than Dr. Williams' Pink Pills for Pale People. These pills make new, rich, red blood, which circulates through every portion of the body strengthening jaded nerves and run-down organs, and bringing a feeling of new strength and energy to weak, easily tired, despondent men, women and children.

CURED BILIOUS HEADACHES. Mr. D.C. McClellan, Hefley Creek, B.C., says: "As a spring tonic I know of nothing else that can equal Dr. Williams' Pink Pills. I have used them for a long time. I began to feel weak and run down and suffered a great deal from bilious headaches. I got a half dozen boxes of Dr. Williams' Pink Pills, and after taking them I felt like a new man. The last headache from which I suffered had disappeared. I had a better appetite, and was in every way stronger and better than before I began the use of this medicine. Almost everyone needs a tonic in the spring, and for this purpose I can strongly advise Dr. Williams' Pink Pills."

HAS A BETTER APETITE. Mrs. M.D. MacLeod, Caledonia, P.E.I., says: "I have used Dr. Williams' Pink Pills as a spring medicine with satisfactory results. Before I began their use I was subject to weak spells, but those have now disappeared. I find that my appetite is better, and I have every confidence in your pills as a blood builder."

STRONG AND WELL AGAIN. Mr. H.H. McKeay, Orono, Ont., says: "My experience with Dr. Williams' Pink Pills has been of the most favorable kind. At the time I began their use I was so weak and run down that I could hardly go about. My stomach was also very weak, and the food I took did not seem to do me a bit of good. Then Dr. Williams' Pink Pills came to my rescue, and under their use my stomach grew better. My general health improved, and I was soon as healthy and vigorous as a man as I had ever been. Dr. Williams' Pink Pills, with the use of Pinklets as a laxative when needed, is now our family medicine, and we would not be without them."

NEVER FELT SO WELL. Miss Beatrice Behr, Fondula, N.B., says: "I never felt so well as I do since taking Dr. Williams' Pink Pills. When I began their use I was very much run down. I had no color, no appetite, could not go up stairs without stopping to rest on the way. I had frequent headaches and a feeling of despondency. I took Pink Pills, regularly for about eight weeks and while I felt a benefit from them almost from the first, at the end of that time I was in better health than I had ever enjoyed before. I freely give you permission to publish this letter as my experience may be of some use to others. The way to new health to some other weak and run down girl."

GAINED WONDERFULLY. Mrs. Herbert Hanson, Lower Hainesville, N.B., says: "I have the very highest regard for Dr. Williams' Pink Pills. Before I began their use I suffered greatly with sick headache, dizziness and a feeling of depression and tiredness. Short treatment with the pills fully restored my health. My daughter, Blanche, was suffering from anemia, and through the use of six boxes of Dr. Williams' Pink Pills gained wonderfully in weight and general health. We think so much of Dr. Williams' Pink Pills that we are never without them in the house, and I consider them my best friend."

BUILD UP YOUR BLOOD. The purpose of Dr. Williams' Pink Pills is to build up the blood. They do this one thing and they do it well. They are for this reason, an invaluable remedy in diseases arising from bad or deficient blood, such as anemia, rheumatism, neuralgia, pains in the back or side and the after effects of influenza or other fevers. If you are suffering from any troubles due to weak, watery blood, or shaky nerves, a fair use of these pills will restore you to full health and strength. Dr. Williams' Pink Pills are sold by all medicine dealers or will be sent by mail, post paid at 50c a box or six boxes for \$2.50 by The Dr. Williams' Medicine Co., Brockville, Ont.

The ages of 14 and 18 will be unable to secure employment unless they are able to produce school dismission certificates or employment permits issued by the school attendance officer. The act paves the way for part time courses of study by laying upon every urban center of 5,000 population or over the duty of providing such courses. Smaller centers "may" provide them.

The date for putting the act into force is left to proclamation by the lieutenant-governor.
