Interked. I think it a wonderful medicine. J. FILLAM, Julies Y. Getchell, of St. Louis, writes: "Linew beef afflicted for years with an affection of the Liner, which destroyed my basile. I tried every thing, and every thing filled to rollove me; and I have been a broken, down apply for nome years from no other cause than deriving-aft of the Ziers. My belowed partor, the Rev. M. Repy, advised us to try year Sarasparille, herause ha mild be know your and any thing you made was worth trying. By the blass ing of God it has cured me, and has so purified my blood as to make a new man of me. I hely yourg again. The best that can be easd of you is not half good snouth." Sc hirrwa, Cameer Tummers, Enlargement, Ulcewation, Carica and Exclusion of the Bonge. A great writer of cause have how reported to us where

the Bones. A great variety of cases have been reported to us where curve of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Amunas, which the genera below named are pleased to furnish gratie to all who call for them.

Dyspepsis, Heart Disease, Fits, Epilop-sy, Melancholy, Neuralgia

57. Belaxicholy, Nouvelgin. Many remarkable curve of these affections have been made by the alteretive power of this medicine. It stime has the vital functions into vigorous action, and thus overcomes disorders which would be supposed by one fit reach. Such a remedy has long been required by the ne-cessities of the phophe, and we are condicent that the will do for them all that medicine can do.
