## TOWN LOTS

¶ We have lots for sale in the centre of this growing Saskatchewan town at prices ranging from \$100.00 to \$250.00 each. When buying Western town lots it is well to get into the original town site and not buy in the numerous annexes to the north, south, east or west. Warman is on two lines of railway, has four express trains each day, and although the town is only a little over a year old its population is not far from the 1,000 mark. The lots we have will not last long at the above prices. If you are interested, write at once for particulars and terms.
