Mr. *Béchar*d moved, in amendment, seconded by Mr. *Bourassa*, That all the words after "That," to the end of the Question, be left out, and the words "it be resolved, "That a large quantity of corn and oats having been imported into *Canada* within "the last few years, this House is of opinion that the interests of Canadian farmers "would be promoted by the imposition of a duty upon the importations of those "products," inserted instead thereof.

And the Question being put on the amendment; the House divided: and the names being called for, they were taken down, as follow:—
