COLGATE'S SHAVING STICK

"Colgate's leaves no smarting sensation."—"It has not smarted on my face."—"There is no irritation."—"It does *not* have that burning sensation."

"Leaves the face freer from soreness and smarting than any other."—"Make the skin smooth and comfortable, with a most delightful and cool feeling not obtained by other soaps."—"An agreeableness of feeling that instantly wins one's good humor."—"With its soothing and softening qualities, it is now a pleasure to shave."

"This morning in the Pullman some one was shaving with Colgate's; when I asked him if his face ever smarted, he replied, 'Not that you can notice it.' This helped to get me away from a brand I have used for fifteen years—fifteen years too long!"

"The first trial was enough to show me that I had found something different, and far superior to the soap I had heretofore used. You have made the improvement that has made the perfect shaving soap."—"It gives a pleasant, soft, creamy lather."—"Makes it a pleasure to shave."—"Shaves cleaner and leaves the face free from itching."—"Colgate's superiority is particularly pronounced in the point of *not drying on the face*. My experience is by no means isolated, for I have yet to find a man who, having tried Colgate's, would go back to the soap he formerly used."—"I find the lather continues moist until I have finished."—"Yours gives me a smooth, durable lather."—"Yours has a heavier and firmer lather than any other I have used."—"It is a better lather and lasts longer."

"To any man with a wiry beard and tender skin, I most heartily commend Colgate's."—"It is best for a tough beard and tender skin."—"Heretofore I looked forward to shaving with a kind of dread, but with your stick have

no trouble at all."—"Shaving has been a bug-bear to me, but since I used Colgate's a real pleasure."—"Have been troubled by a stinging sensation after shaving and blamed my razor; with your soap and the same razor I enjoy a fine, quick shave."

"Colgate's Shaving Soap *does* what the other kind *claims* to do."—"I shaved with Colgate's to-day, and had the first delightful shave since I began shaving myself."—"My morning shave is a luxury since using your soap."—"Never used a shaving soap that produced the same delightfully cool sensation to the face."

"Have purchased several sticks for friends, who are as much pleased with it as I am."—"It is the best I ever used, and I have been shaving for 40 years."

"Your soap is simply delightful."—"It is just grand."—"The handiest, cleanest and best soap I ever used."—"Has given entire satisfaction."—"I could not do without it."—"The results are simply marvellous."—"It is a wonder."—"Indeed a 'Triumph of Modern Chemistry.'"—"I agree with you, it is 'the Magic Wand of Shaving.'"—"It acts like Magic."—"I never found a perfect soap till I used yours."—"I find it is perfection."
