### Student Union Briefs

We would like to make a  
correction to the Council Briefs  
printed in the Brunswickan of  
November 25, 1988. In the  
Briefs, it was stated that Dean  
Frost was "waiting to hear  
from Josephine Tan with  
respect to the possible accept-  
ance of the GSA as members  
of the Student Union." It  
should have read that Dean  
was waiting to hear from the  
Graduate Student Association  
(GSA) for certain services pro-  
vided by the Student Union  
that the GSA believes are  
beneficial to some of the  
graduate students on campus.  
The GSA is an independant  
UNB graduate student body  
and is not seeking membership  
within the Student Union. We  
regret any misunderstanding  
or inconvenience the previous  
report may have caused.
